Everyone Enjoys The Golden Oldies

Friday, April 19, K.H.S. took a giant step backward with a Student Council-sponsored Golden Oldies dress day and an old-fashioned picnic in the park. Students dug in old trunks, visited Granny's attic, and came up with some of the most authentic 50's costumes ever.

Mom's Crisco came in handy as it found its way to many K.H.S. guys' hair. Collars and jeans were rolled up and leather jackets were worn.

The girls dolled up in their long dresses, rolled-up jeans, shirt tails, and red lipstick. Ponytails and saddle oxfords, sweaters and long skirts—all the fashionable 50's wear could be seen at K.H.S.

At lunch, the students took their loaded picnic baskets to the park for a picnic. Student Council furnished drinks for the occasion. David Van-Houten took his guitar and he and Tom Campbell provided the picnickers with some music from the 50's.

To top the whole event off, the Student Council sponsored a Golden Oldies dance at the Youth Center from 8:00 'til midnight Saturday, April 20. There was no admission charge, and food and drinks were furnished free. Wolfman Welch, a local disc-jockey, provided the music for the dance by playing records from the 50's.
