The Kermit High School Band consisted of 106 members during the 1974-75 school year. They were directed by Mr. G.T. Gilligan and his assistant Mr. Richard Thomas. The "K" Band received Division II Ratings in Marching, Concert, and Sightreading in UIL competition. They participated in the Oil Show Parade and they also entertained at the District Teachers Convention held in Midland. The band boosted school spirit in Pep Rallies, during football games and at basketball games. The "K" Band half-time shows were very entertaining and enjoyable. The Band performed a special half-time show honoring Superintendent Tommy Thompson, using a unique fireworks display. The Band had two special organizations featuring the outstanding band members. These were the Stage Band and the Pop Corn Band. Also several members of the Band generously devoted their time to provide the accompaniment for the Senior Salute to Entertainment. The Band completed the school year with an entertaining spring concert.
