JACKETS RIDE TO ANOTHER VICTORY

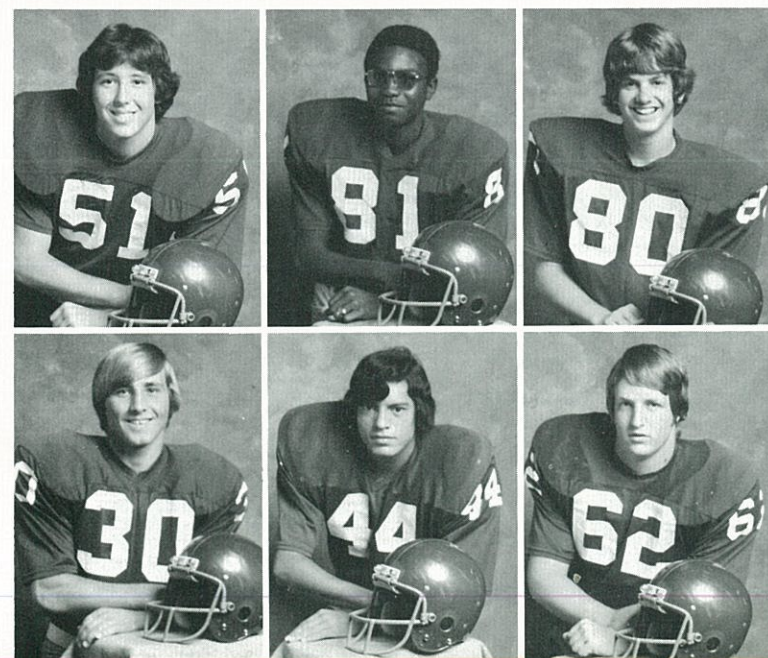

This was our first district game. Andrews did a tremendous job of containing our offense with their big ball club. We played good defense on our end of the field to keep Andrews from scoring more than one TD.

PANTHERS STOP JACKETS IN 2ND DIST. GAME

All in a days work . . .

Stockton Panther makes the catch.

Apparently, the Stockton game was a game the Jackets weren't supposed to win. The defense played a fine ball game allowing only three first downs and 87 total yards. The team had five turnovers in the ball game. Ed Bryant had 128 yards rushing while filling in for injured Daryle Fulbright.
