## FRESHMAN "A" AND "B" . . .

The 1974-75 Basketball season for the ninth grade basketball boys was one of frustration with some of the games being the highlight of the season for us.

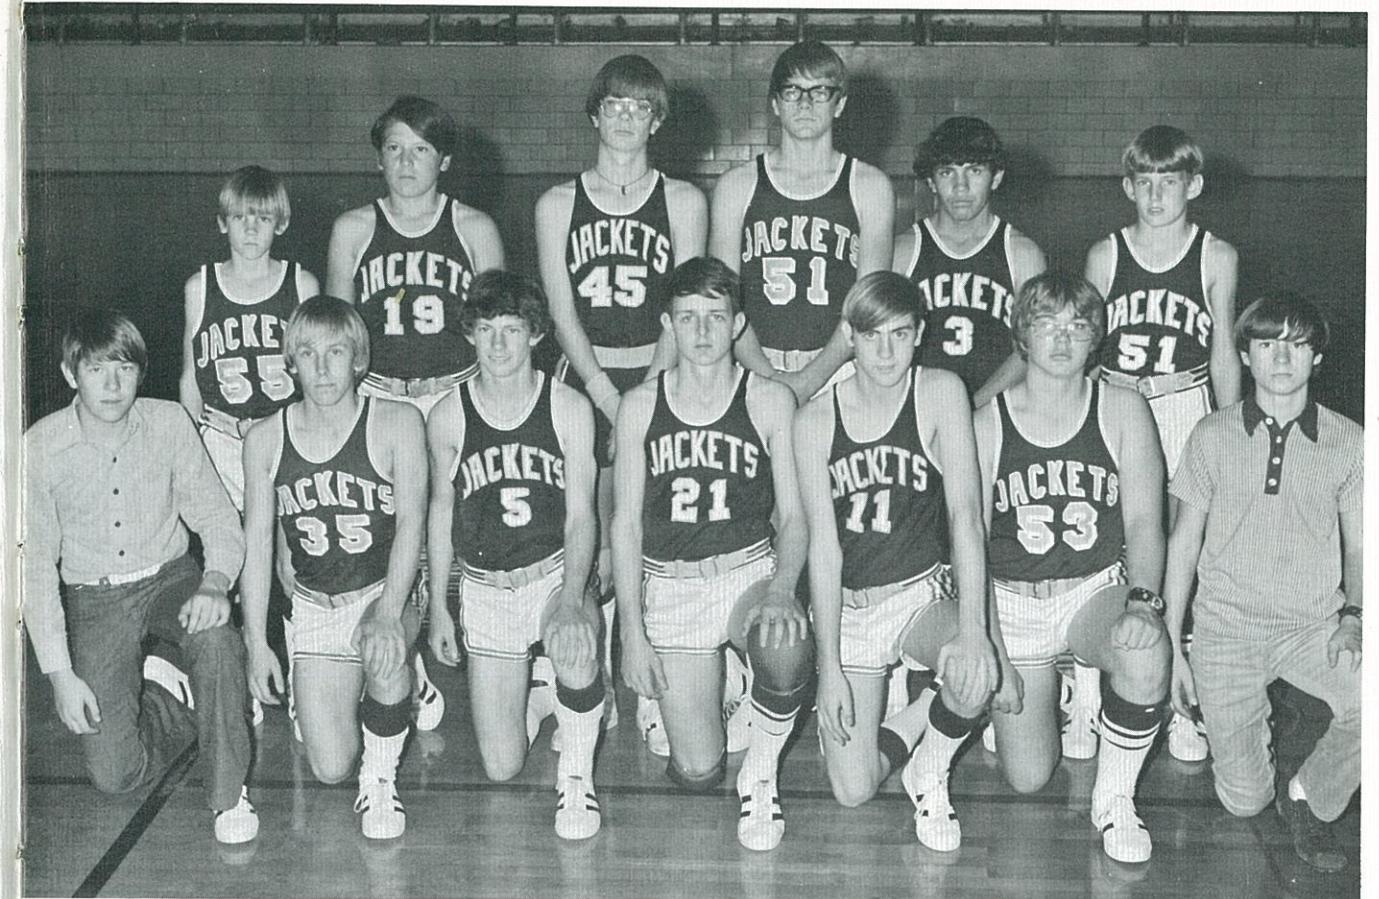

The ninth grade boys played twelve regular season games but were unable to win any of these games. We also played in two tournaments and placed third in both of these tournaments. One was our own tournament in Kermit and the other was the Andrews Tournament.

The players who started for us were not regular starters from the season before. We lost two of the regular starters to the Junior Varsity and two others moved to a different district, this weakened our team, but as the season progressed the group became confident in themselves and started to play as a team and competed well with other teams in this area.

When we could we used the help of our two freshmen, Joe Dominguez and Scott Edwards, who were on the J. V. Other members of the team who also played both on the Freshman A and Freshman B teams are: Mike Tutor, Bill Rivera, Monty Egger, Dale McCombs, David Stuart, Steve Watson, Steve Wilhelm, Victor Berzoza, Pat Partin, Mark Hanna, Steve Jenkins, Jeff Clements, David Dillion, Phillip Elliott, and Arnold Madrid. Our Managers were Terry Gardner and Arnulfo Carasco.
