The Junior Varsity Volleyball team had a successful season with a record of thirteen wins and eight losses. They attended two tournaments placing in one. They placed third in the Odessa College Tournament and did not place at Plains. Donna Lopez made all-tourney at Odessa College and Plains.

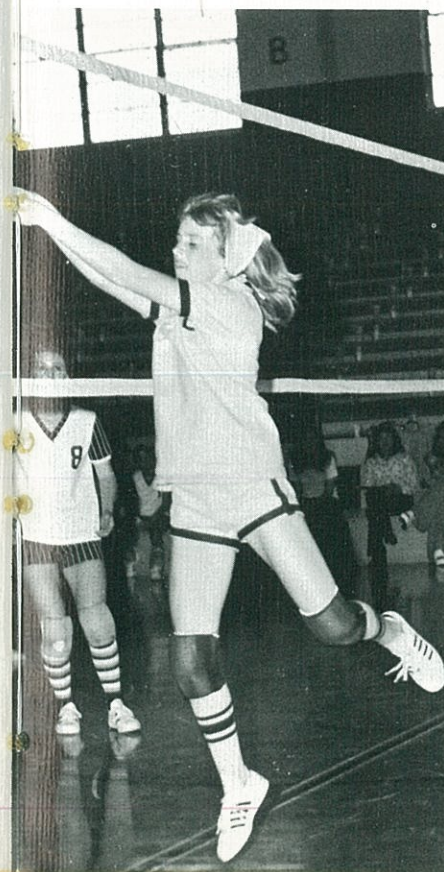

The girls worked hard making the year a success and they have the potential to finish the season on top next year.

It's another dink.

At the beginning of the school year, the Freshman volleyball team was not an impressive one. The girls' lack of skills and ability fostered no hopes of a winning season.

The girls worked diligently to improve every aspect of their playing. Drills in physical conditioning, development of skills, defensive and offensive strategy, and team spirit had been stressed.

Only those who saw the team play early in the year can fully recognize and appreciate their achievements, but without a doubt they are a credit to their class.

The team had 9-2 record for the season and won 1st place at the Plains Tournament. The team continues to improve and looks forward to a successful year on J.V.
