THE 1975 SANDSTORM STAFF gives special thanks to the following: Coach David Mitchell for his design of this year's cover, the Winkler County News for pictures we missed, Mr. Buck Sorrells for his professional portraits and pictures of the bands, Stevens Studio's for their senior portraits, the Junior High personnel for their cooperation, Mr. Dick Jacks and Newsfoto Yearbooks for their many services, the High School faculty and Administration for being so nice about our many interruptions. Last, but surely not least, the students, because without you, this annual has no meaning or purpose.

We have tried to compile a pictorial history of the school days of 1974-75. We sincerely hope that you like the book well enough to tell your friends to be sure and order one next year.

This is it till next year. Hope you like our version.
