SOPHOMORESSOPHOMORESSOPHOMORES

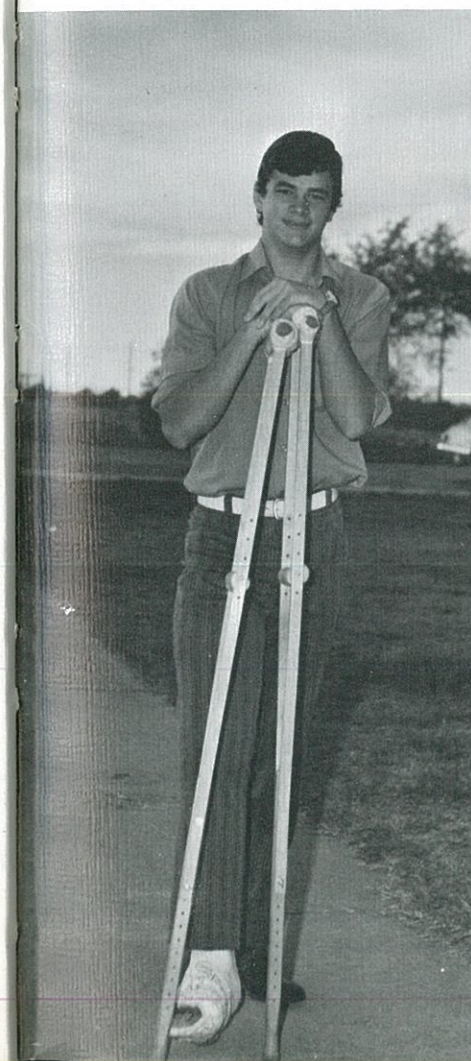

The Sophomores entered the halls once again for the second year in KHS. The year of '75 proved rewarding for the class led by President Pap Roark. Pap gathered in several spirit sticks at the pep rallies for his class. The mighty Sophs worked hard at their events in the Junior Olympics. They contributed enough money and points to earn them a 2nd place only to be bested by the Seniors. This all helps to build the spirit in hopes that we will be the best Senior Class ever. However, as we look back over these last two years we can only wonder what else has been accomplished. Have we stood up for our convictions, or have we merely stood aside as decisions affecting our lives are made, not because the decisions are right but because it is easier to remain uninvolved? Have we cultivated our ideas and broadened our thinking? Have we learned anything from the many lessons life has to offer? If we haven't then we've totally wasted precious years of our lives. In 2 years we will leave KHS and go on seeking & searching and will have to cope with what we have learned. So let's keep our heads high in search of new experiences in life and knowledge we have not yet reached. Onward class of '77.

CHARLENE AND TRAVIS-SOPHOMORE FAVORITES

Travis, son of Mr. and Mrs. W. Lee Watson, was surprised to receive the honor of Sophomore Class Favorite. Well known and liked around our school, he participated on the Junior Varsity Football team until receiving an injury of the knee. He is also active in other sports such as basketball. He is a member of the Fellowship of Christian Athletes. He attended schools in Sanderson before moving to Kermit two years ago.

Charlene, daughter of Mr. and Mrs. Elton Rogers, was pleased to receive the title of Sophomore Class Favorite. Well known around the school, she is a member of the Jackettes and Choir. She enjoys sewing, cooking, and singing. She attended schools in Iran before moving to Kermit two years ago.
