Rev. J. Robert Hawkins—Sec.

G.E. (Tommy) Thompson

Your School Board feels deeply its responsibility to provide the best education possible for each youngster in the Kermit Independent School District. To that end they meet each month to try to meet that responsibility. There are seven men, elected by the voters of the District, on the Board. They consider and plan for anything that has to do with the district: curriculum, finances, teachers, administrators, lunch program, directives from either state or national agencies, and other things. They are simply seven men dedicated to the best interests of our school system.
