ADVISORY BOARD HELPS KEEP YOUTH CENTER ACTIVE

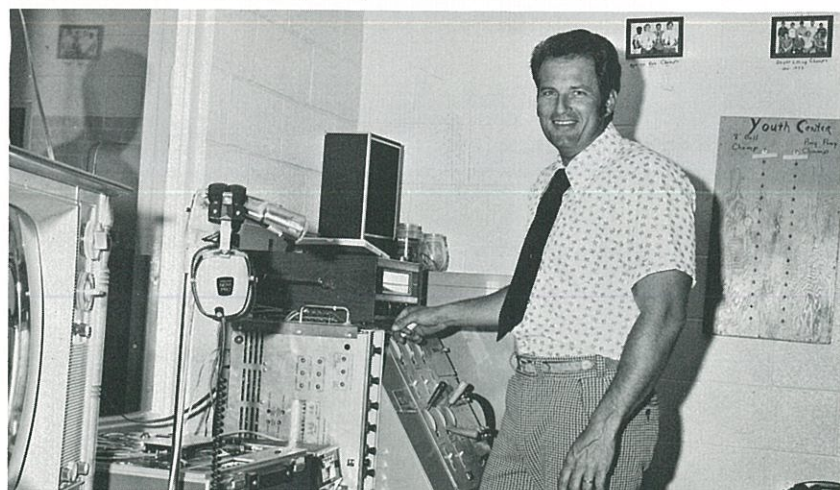

The Youth Center advisory Board consists of high school students selected by the Youth Center Director, Jeff Harrell. Each student is selected on the basis of their devotion and attitude toward school and the activities of the Youth Center. Four students from each grade are usually selected. The requirements of each advisory board member are to attend all meetings, sponsor dances, work the concession and discuss any new projects to be held at the Youth Center. If the student meets these requirements, he may serve all four years.

Secretary Vicky Patterson, Pres. Bobby Price.

C'mon you guys, it's not THAT boring!

Sponsor Mr. Jeff Harrell.

FUTURE HOMEMAKERS OF AMERICA

Mrs. Smith—Sponsor

Girls talk over their cooking.

Future Homemakers of America is an integral part of the Homemaking curriculum. Students enrolled in Homemaking are automatically in FHA. Once each month a formal business meeting is held in the classroom to transact club business. Each class elects a set of FHA officers. After a short business meeting, a program, closely related to classroom activities, is presented.
