ICT . . . GETTING OUT IN THE WORLD

One of the purposes of the VICA club is to develop leadership abilities through participation in educational, vocational, civic, recreational, and social activities. Students enrolled in Industrial Cooperative Training may join VICA on a voluntary basis. The VICA year begins with the election of officers and the planning of local events. The highlight of the VICA year is a cookout, prepared by the members, honoring their employers who participate in the program. The VICA club helps students to foster a deep respect for the dignity of work and to assist them in establishing realistic career goals which is upheld in the club motto: "Preparing for Leadership In the World."

Sally really enjoying the "view" at the ICT party.

The Distributive Education Class was designed to give its students a better understanding of retail, wholesale, and service selling. DECA officers, David Van Houten, Penny Helms, Pam Roberson, Becky Johnson, Cynthia Spurgin, Beth Hunt and Alonzo Pando traveled to El Paso to attend a DECA seminar this year. The club holds various banquets and events for involved DECA members.
