

Crazy Daze really came to be a hit this year at K.H.S. On Thursday, April 3rd, students dressed up as cartoon characters and wore their costumes that day at school. All students had to buy a permit to talk to anyone, walk with anyone or wear anyone's coat, etc. On Friday, the 4th, all students who had not bought a permit, were embarrassed in front of the whole student body. Everyone then attended the "Jean Fling" dance Saturday night at the youth center.

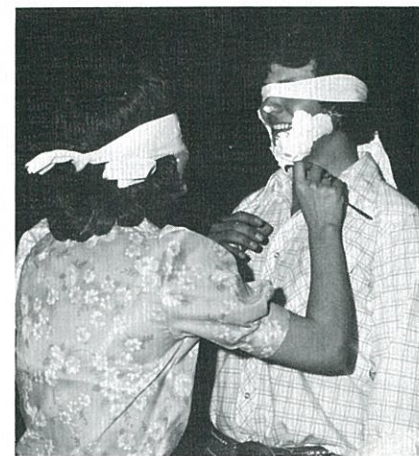

And we won't breathe again till you let us go.

C,mon Flubright, be a sport.
