K.H.S. Band performs at Homecoming

The Kermit Yellow Jackets went down to defeat at the hands of the Ft. Stockton Panthers, 8-14, Friday night, October 17, at Walton Field. Ft. Stockton got on and ruled the board during the first half of the game. It was not until the latter part of the third quarter that the Jackets got on the board by a touchdown made by D. Fulbright. R. Lipsey then pushed over for the two-point conversion. Head Coach Charles Topinka felt like the overall defensive play was handled pretty well, and that the blocking was good. He stated that the fumbles and five dropped passes

were the only crucial situations. Lack of mental encouragement and the fact that some players were not prepared to play the game contributed to the Jackets looking sluggish earlier in the game and not playing well until the last sixteen minutes of the game. The classes of '55 and '65 returned for their class reunion. Both classes enjoyed meeting old friends again over coffee and lunch. Both exes and high school students topped off the weekend activities with a dance. Overall, Homecoming was a time for old friends, cherished memories, and a lot of fun.
