

Jackets Prepare Gridiron Strategy . . .

For the Bi-District crown the Yellow Jackets met the Fabens Wildcats and used a superb passing attack led by QB Scott Edwards and the running of Alfred McGilbra to claim the victory with a score of 14-6.

Edwards completed 14 of 21 passes for 156 yards, including two TD aeriels.

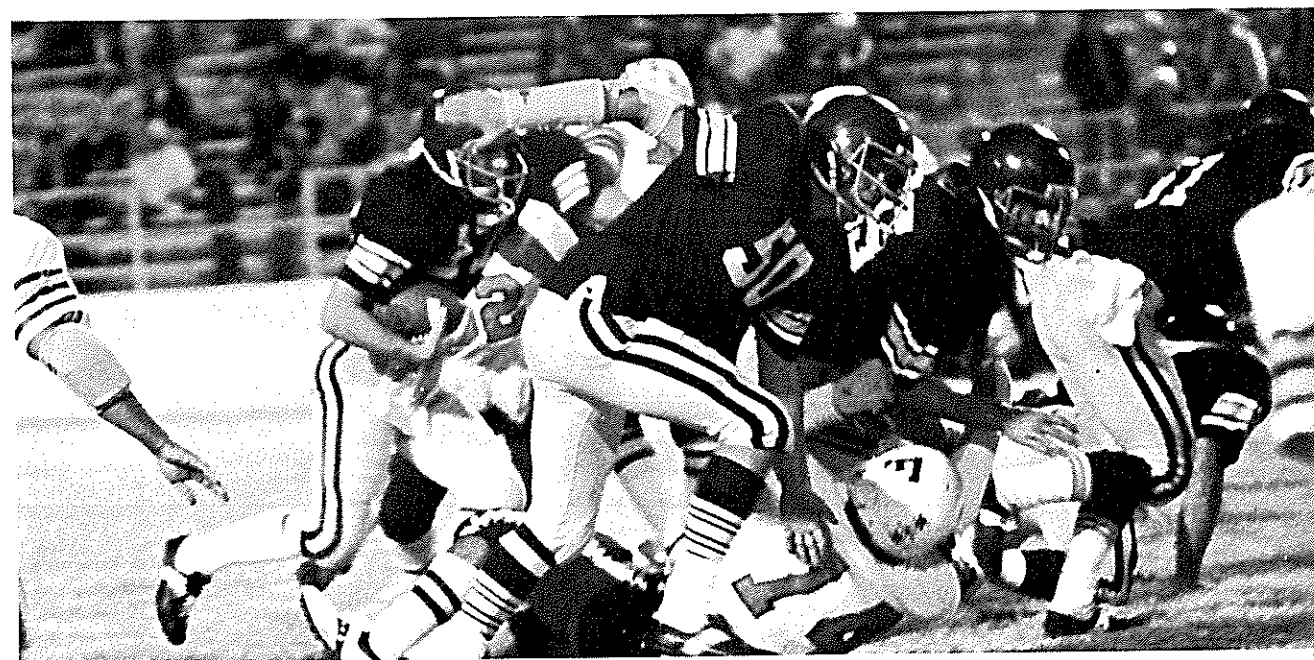

The first Yellow Jacket TD came in the second period when Edwards found Tony Moore open. The TD was set up when Chris Handlin intercepted a Wildcat pass. Les Baucom added the PAT.

After defeating the Fabens Wildcats for Bi-District, the Jackets met the Bulldogs at Mustang Bowl in Andrews. Almost from the start of the game the Jackets found themselves plagued by fumbles, dropped passes and other mistakes.

The 'Dogs scored first but the PAT was wide. In the third period the 'Dogs scored again. The PAT was good.

In the final period the Jackets "got it together" and drove 46 yards for their first TD. In the fifth play of the drive, Ray Jennings crossed the goal line. Baucom added the PAT.

In the next series the KHS defense held the 'Dogs on their own one-yard-line. But, rather than punt to Kermit — they gave up a safety.
