KHS freshman thinclad Haskell Haston begins another lap in his running event in the District 7-AA track meet at Kermit. The KHS freshman squad entered the JV division and won.

This Section Is Dedicated To The Memory Of Richard Simpson

Although his time was much too short the joy that Richard Simpson brought into the lives of so many shall never be forgotten. If anyone could make a person smile, it was Richard, for when he was on a football field or Little League baseball diamond he showed the spunk and determination of a real winner.

And his size — well, Richard wasn't too big, but with that personality, size did not matter. Richard Simpson will always be remembered and let us — especially the friends at school who loved him so much — live our lives as he did — with all the love, courage and determination he showed us every day of his life.
