One shows a smile- but two seem a little camera shy. Lori Fullen (right) is all smiles for the roving camera, but Linda Barrick and Melissa Stodghill (center) seem a little bashful.

Eighth Graders In Action

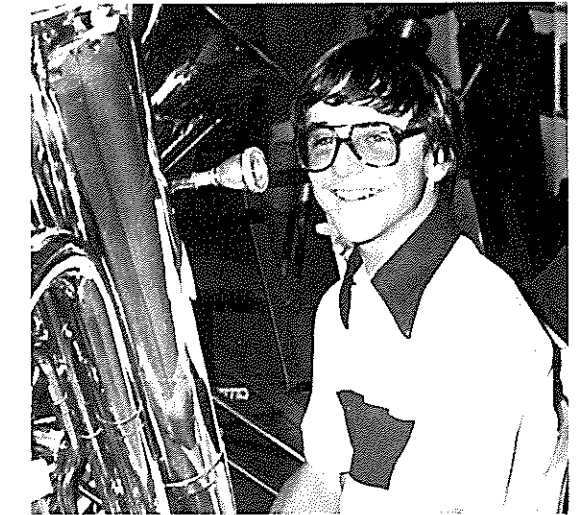

Coach Terry Brown really seems popular with his students.

Arleen Carrasco doesn't seem to mind the roving camera, but who is Donna Fields getting ready to fight? — maybe she is only stretching.

Boy, Oh Boy!

"Stick" Brownlee does his thing.

Jerry Wright has a smile almost as large as his horn!
