

Students Work In Building '78 Bon Fire

"Hey how about some help?" says Starla to Pam Hagood, Shelia Eubanks, and Dana Mow.

The football team looks on at the "great" bonfire.

Don't look down is what Kim Stroud, Killy Rodriguez, Odie Marshall, and Tweety Cabrara were thinking as they found themselves at the top of the bonfire.

Taking a rest during the day's activities were (l-r) Pam Hagood, Sheila Eubank, Kim Stroud and Stella Martinez.

Helping with the vigorous work were (l-r) Johnny LaLonde, Rodney LaLonde and Donnie Armstrong.

Contributing to the KHS bonfire was a big helpful "Dairy Queen" sign.
