Coach Lee Lentz.

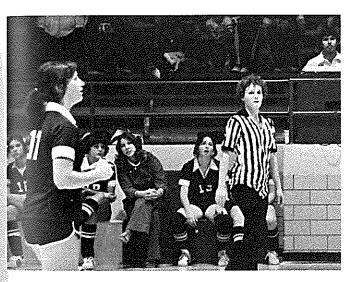

The junior varsity volleyball team had an exciting season in 1978-79. Their win/loss record of nineteen wins and five losses was the impressive result of the team's combination of determination and skill.

This year's team, comprised of two juniors, seven sophomores and two freshmen, have gained playing experience, grown, and developed skills to make them even better equipped for the years to come in volleyball competition.

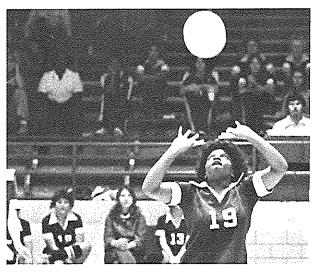

With this increase in playing ability, next year's competition had better watch out!

Mary Day is shown relaying the ball while Laura Mitchell, Lanca McGilbra, Kim Wright, and Lanelle Rockwell watch.

Kim Wright concentrates on getting a good spike.

DeSharon McGilbra is setting the ball up for a spike.
