

# Thanks For The Memories . . .

The 1978-79 Standstorm staff sincerely hopes that you will enjoy this book as much as we enjoyed putting it together. It was sometimes discouraging, often frustrating, but always fun because there was always something to laugh about.

Cherish this book because it will become, in the future, a valuable part of your personal life. Ten years from now you'll look back and think about the good times you had. Fifteen years from now, your children will look back and laugh at how funny you looked.

But, that doesn't matter. What matters is that this is a very special keepsake and something that should always be taken care of. Why? Because we'll all go our separate ways, but anytime we open this book our friends and happy times will be there with us again.
