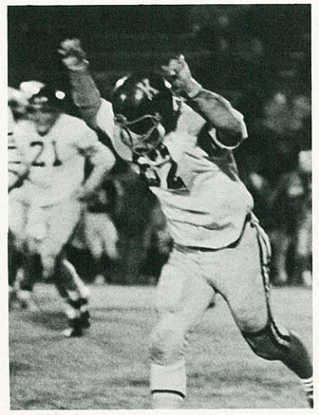
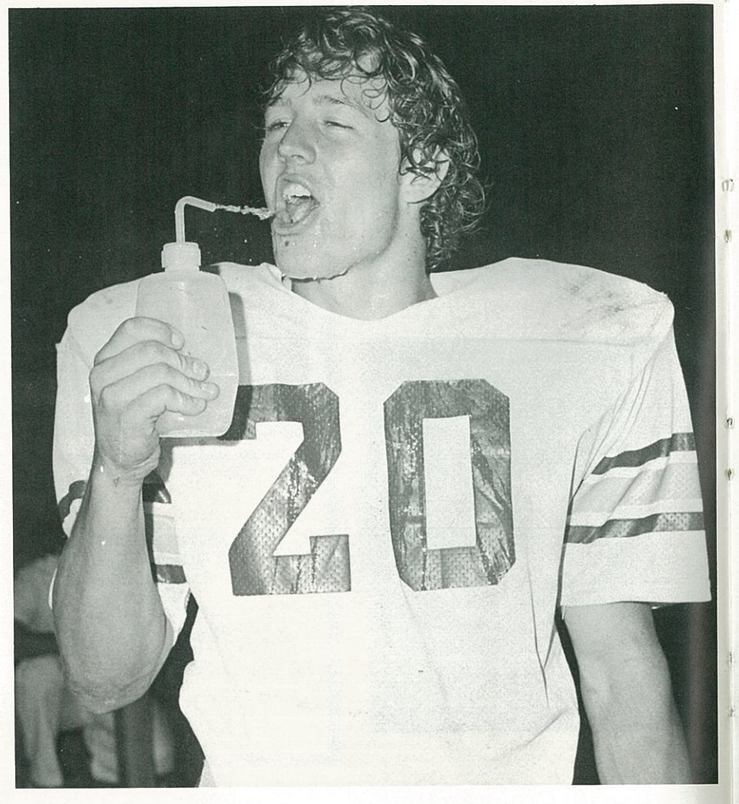
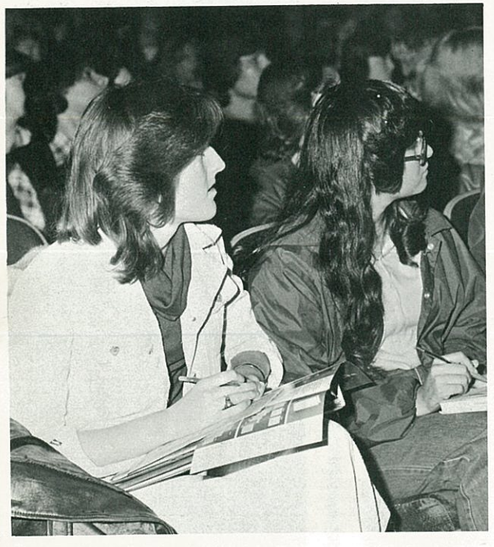
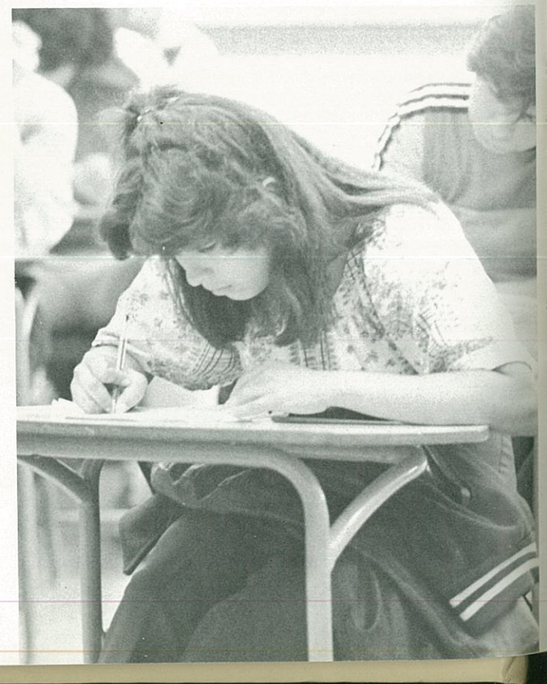
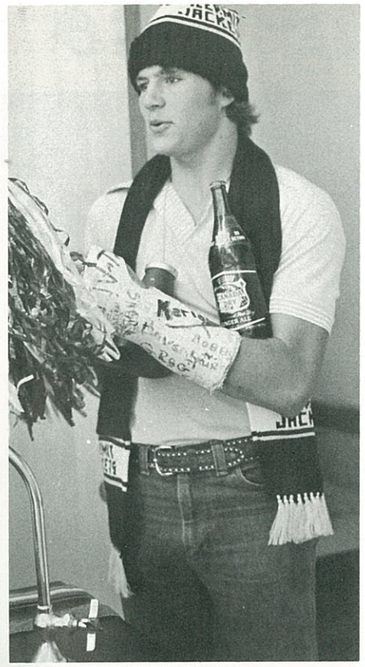
Remember the first day of school? It is likely that many heads were spinning — namely, the young, new Freshmen and the "dreaded" Seniors! For the Fish, it was the beginning of a new adventure; for the Seniors, it might have been called the beginning of the end. But it wasn't so dark as it sounds. Many new promises and dreams were awaiting each and every Senior.











Remember how it felt to be involved? Athletics, clubs, class plays, band and choir; so many things to do and see. But the best thing sbout it was knowing you belonged.

Remember *Practice?* Hours and hours of it — sports, plays, band and so much more. It might not have been the best experience of the day, but when it resulted in victory, everyone agreed — it was really worth it.
