

Seniors Begin New Decade

Seniors serving as officers for the 1979-80 school year included **BACK ROW** (l-r) President Layne Nutt, Parliamentarian Jayna Franklin, and Vice president John Kurtz. **SITTING** (l-r) are Reporter Becky Hix and Secretary-treasurer Kara Tucker.

On May 22, 1980 members of the KHS Senior Class of 1980 formally ended their high school education. For many it was a time for joy and happiness, for others it was a time for tearfilled memories.

This class provided leadership both academically, spiritually and athletically.

As these seniors began a new walk into adulthood, they also begin a new decade in their own lives and the United States of America.

The sponsors for the Class of 1980 included **BACK ROW** (l-r) are Mr. Wayne Patterson, Mr. Glenn Richardson, Mr. Talmadge Adams and Mr. David Smith. **SEATED** are Miss Diana Hampton (left) and Mrs. Donna Fogle.
