

Seniors Prepare For Graduation

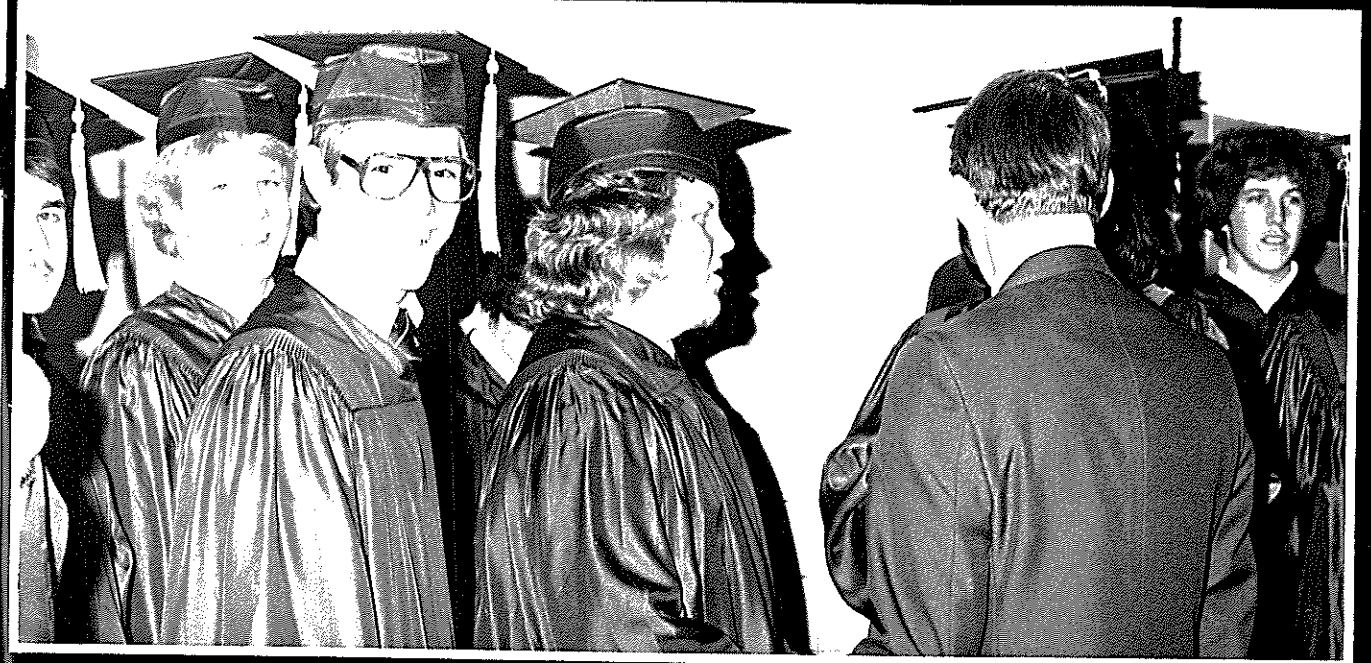

Brenda and Odis Marshall get ready for that big moment as they find their place in line and await the order to march into the auditorium.

Becky Hix and Layne Nutt find something to smile about as they pass the time until that magic hour — 8 p.m. and graduation.

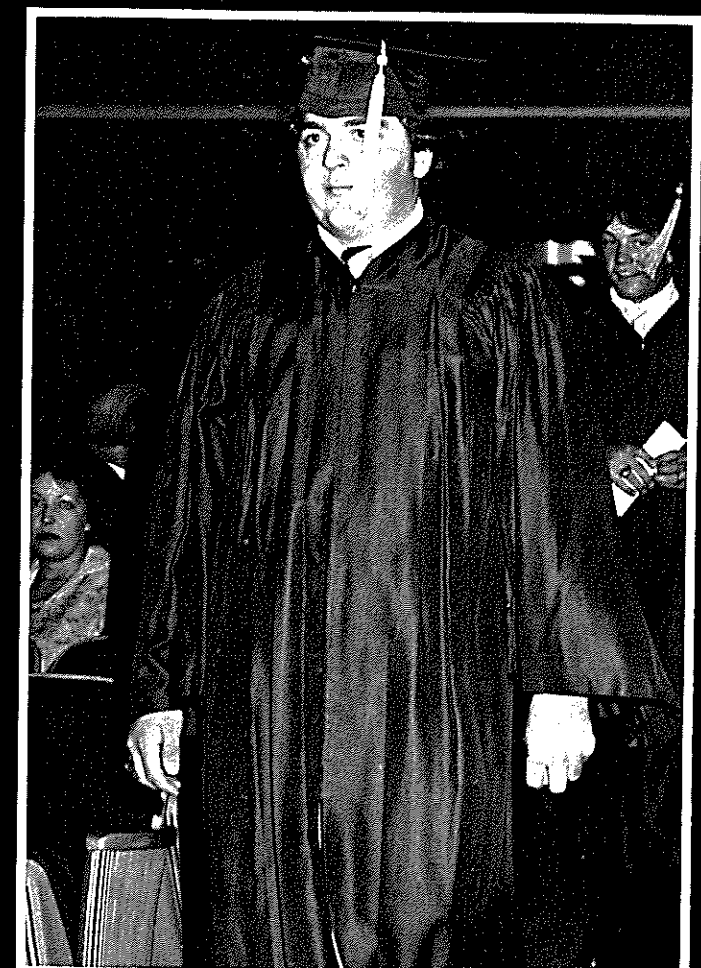

Members of the Junior Class assisting the seniors in their graduation included (l-r) Linda Taylor, Lendale Widner, Joie Cockerill, Mike Gunter, Carla Jamison, Doug Smith, Laura Mitchell and Arnaldo Carrasco. Leading the seniors into the auditorium were Linda and Arnaldo.

Helping the Members of the Class of 1980 line up for their procession amid laughter, jokes and shouts of jubilation was assistant principal Herman Barrs.

Tracey Connally marches into the auditorium ... for the last time.

Joe Livingston appears to have a very serious thought as he comes into the auditorium for that long awaited moment.
