## In Remembrance Of Barbie Gillock

Barbie Gillock was involved in almost everything. Sports, band, whatever the activity, Barbie was in the middle of it.

She was like a ray of sunshine. And she was as beautiful on the inside as she was in the outside.

Barbie was a very active Christian.

Barbie was such a beautiful person, no one will be able to forget her or her friendly smile. Even though she had not yet become a Freshman, Barbie will be with us in spirit and mind, if not in body.
