Belinda Dominguez Crowned 1980 Queen

Change may be hard to take at times but the changes this homecoming helped alot.

The Friday afternoon pep rally was as usual full of people and spirit. Gene Hodges spoke to the assembly. He praised the Yellow Jackets and fans for supporting the football team. Mr. Hodges also asked fans to remember where pride belongs. In this sense, Kermit has a team to be proud of.

President of the Ex Student Organization, Clifton King crowned Belinda Dominguez Homecoming Queen. She was escorted by Frank Alvarado. Members of her court and their

escorts are: Lora Hillger escorted by Doug Smith, Kandis Enox escorted by Shannon Cooke, Lana Harbin escorted by Bert Widner, and Becky Peacock who was escorted by Roger Short.

Former homecoming queen Linda Taylor and Kara Tucker were each presented a red rose. In the class sign contest, Seniors won first place. Mrs. Lentz's typing I classes won the award for the most original sign. Grand Prize went to the KHS Band.

School officials canceled the traditional parade because the rain was too excessive.

Who made the news in 1980-81? You did! As students of Kermit High & Kermit Junior High-You made the news. Without you, it would not have been possible.

In the 1980-81 "Sandstorm" we want to show you the people and the events that made your school year such a success.

People in the news. We're making news now. Forming friendships, making acquaintances ... maybe even making a few enemies. Right now we are forming our past, our history. What will we remember about this year? Will we remember how we did in UIL? What about the class plays, one-act or the choir and band concerts? It's all a part of the KHS/KJHS News.

ay Tryouts Held

The first rehearsal was held Monday Oct. 13, at 7 p.m. The performance will be December 11.

Rehearsals are not just underway, but are progressing at a very good rate, according to Miss Pignon.

This play promises to be one of the very best senior plays to be performed at Kermit High School in recent years. All KHS students are urged to make plans to attend and, "Bring a friend!"

ortant Is o You?

hurting themselves? It is very hard to make 100's on tests after downing a couple of beers.

Although these students aren't a majority, you'd be surprised how many there are. These people need help. It's not hard to start a drinking problem, but trying to stop can be hard. Hard, yes, but not impossible.

So the next time you or your friends decide to drink, stop and think. That one drink could mess up your whole life.

For those of you who have defeated a drinking problem, I congratulate you! Now it's our job to help the others!

Seniors Have Formal Pictures Taken

The senior pictures were made September 12, which included cap and gown, formal, and casual.

The proofs were sent back two weeks later. If you were going to buy senior pictures the orders should have been in no later than October 15.

The retakes for the senior pictures were taken October 6, during Fifth period. It will be announced when proofs come in of the retakes.

Some students don't go a day without a drink. Look around and possibly you'll notice these few. They could be the ones that you sit by in class after lunch. Maybe even your best friend has a drinking problem.

The problem drinkers don't realize they have a problem. So what if they have a drink or two who are they hurting? Themselves!

Why can't "drinkers" see just how much they are really are
