

KHS Freshmen Of 1980-81

Serving as officers for the KHS freshman class of 1980-81 were FRONT ROW (l-r) President Albert Carrasco, Vice President Chris Crawford. BACK ROW Secretary-treasurer Arcilia Carrasco, Reporter James Nolley and Parliamentarian Steve Fierro.

The KHS freshman class of 1980-81 began the year with feelings of really being small fish in a big pond . . . but in a months the new freshmen found their places in the world of Kermit High School.

From the beginning of the year the new freshmen found the largest adjustment being the transition from being the upperclassmen of junior high to the lower classmen of high school.

But, even with occasional attempts to sing the school song while standing around the flagpole or playing "air raid," the fish found KHS a really enjoyable place to be.

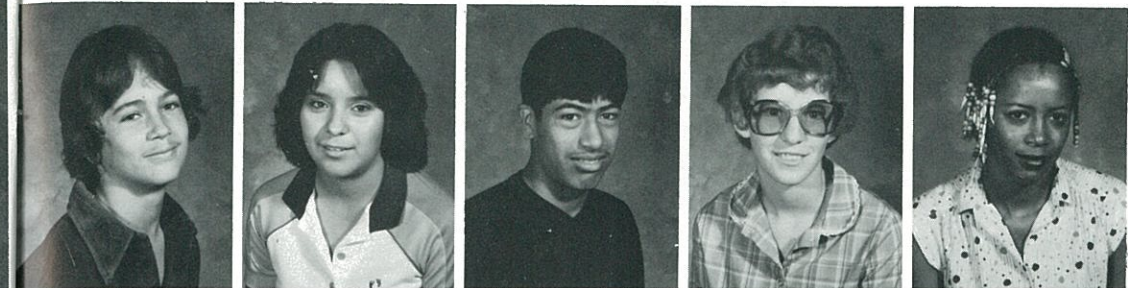

Finally, the '81 year came to a close and now — they are freshmen no more and can take their turn helping the freshmen of 1982 take their true place in the halls of KHS.

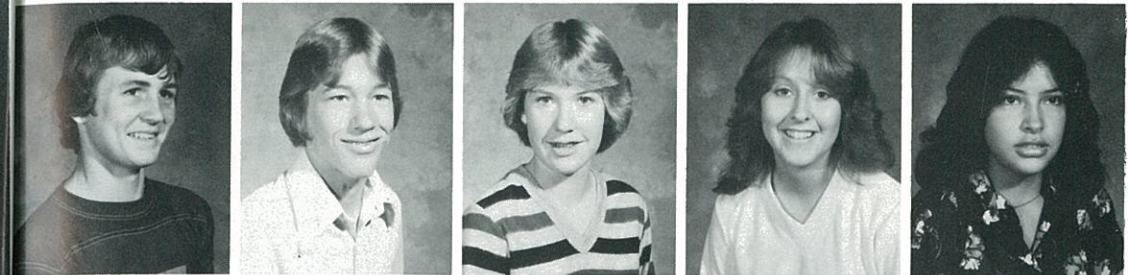

Freshmen class sponsors included SEATED (l-r) Mrs. Allene Hallman, Mrs. Lois Ann McKenzie and Mrs. Janet Marler. STANDING Talmadge Adams, Mrs. Bernice Kilgore, Randy Hicks and Bob Highley.
