After falling behind 7-0 at halftime, the Jackets stormed back with a safety in the third quarter and exploded for 20 points in a wild, fourth quarter frenzy.

Athletic Director Earl Overton said, "The good intensity paid off in the fourth quarter."

# Fabens Wildcats Rip Kermit, 17-5

Kermit High School's dream of a District 5-3A Title was rudely shattered as the Fabens Wildcats beat Kermit 17-5.

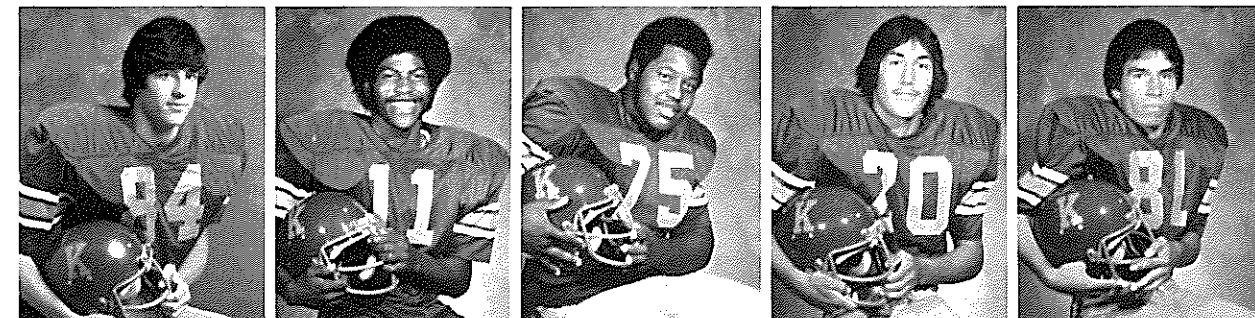

It was the end of a season that saw the Yellow Jackets capture their first five games in impressive fashion and then win only one game in the second half of the season. Kermit finished the year with a 6-3-1 record.

The Jackets invaded the Wildcats lair with hopes of another bi-district title and immediately got on the scoreboard with a safety. But the Wildcats then began their scoring drive, took the lead and never relinquished it.

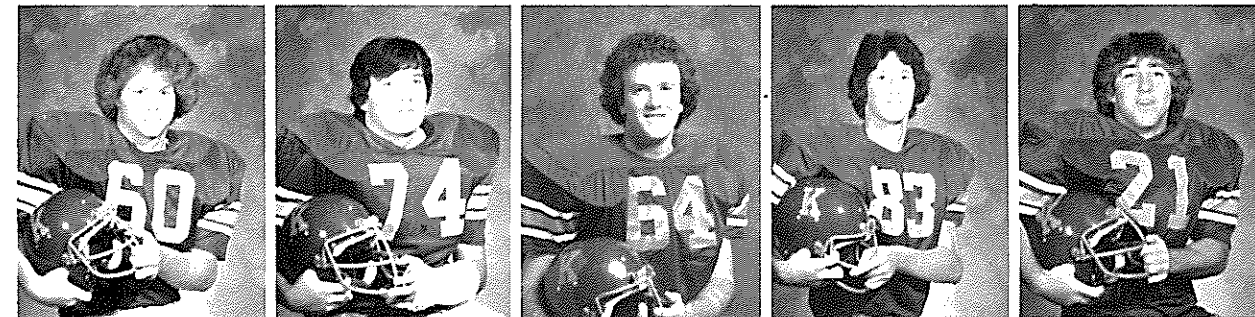

David Fulbright looks for an opening as he runs up field.
