<p>Games . . . Everyone plays them. Everything from Space Invaders to Dungeons and Dragons; from solitaire to football; from billiards to badminton. Games are not only for entertainment, but also for challenge and even skill.</p> <p>Each of you plays a game everyday—the game of life, chance, emotion and romance.</p> <p>This Sandstorm, "The Game", reflects the games played at KHS and KJHS—Everybody, play THE GAME!</p>				Faculty
