

Time for Graduation Approaches . . .

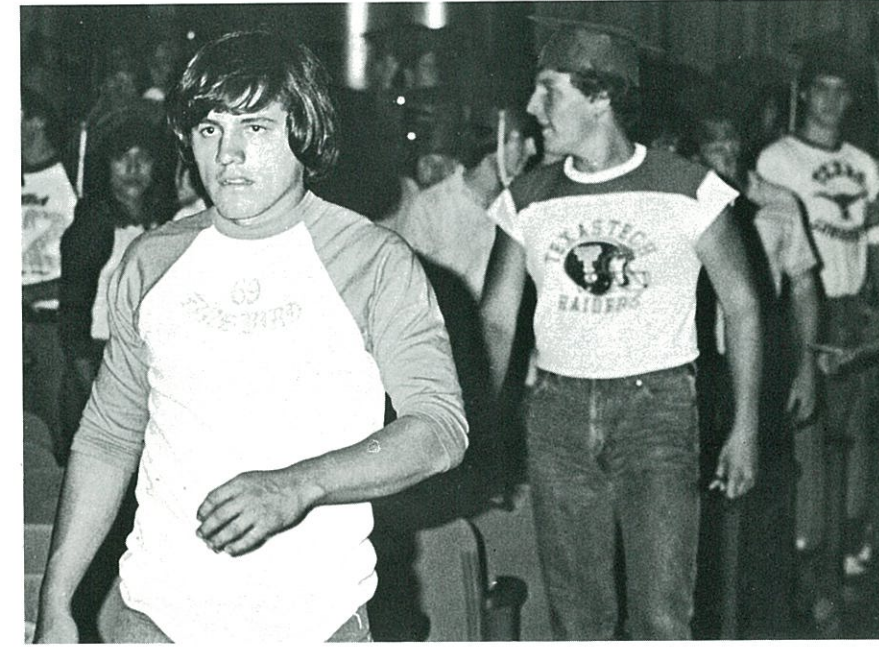

The KHS Class of 1982

As usual, it's hard to concentrate on directions for the processional and other activities on Senior Cap Day.

Mary Lou Fierro practices coming down the aisle.

Larry Torres and Howard Taylor try to stay in step with their counterparts in the opposite aisle.

These three senior girls seem to be enjoying every minute of pre-graduation "line-up! get ready! and here we go . . ." (l-r) are Melissa Stodghill, Delaine McCombs, and Wendy Ford.
