After completing their year as freshmen in KHS, members of the 1981-82 Sophomore Class entered the ranks of upperclassmen.

In addition to making their mark in every phase of athletics, the sophomores also made their presence known and appreciated in the SC-sponsored High School Bowl and Junior Olympics.

The sophomores also began their upward spiral in the realm of academics: English, Algebra, Geometry, Biology, typing, Journalism . . .

"Here we go again," says Mimi Juarez in her typing I class.
