The Kermit Yellow Jacket varsity boys golf squad came through again in the true "Yellow Jacket" form as they won the District 5-AAA golf tournament at Dos Lagos in Anthony, New Mexico.

The Jackets shot 681 for a team total, some 43 strokes ahead of the number two team — Alpine.

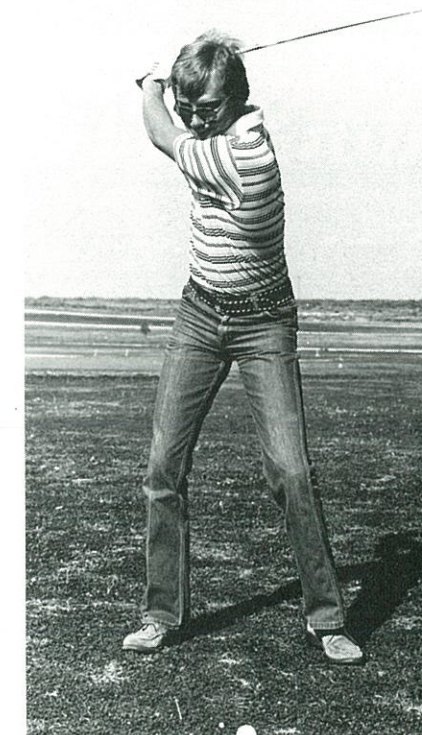

Medalist in the District Tourney was Todd Garner and Brian Barrs came in second.

The Jackets came in with the fifth best score in the Regional Tournament held at Hogan Park in Midland. Although the course was not on the best of conditions, Coach Bates commended the squad for their performance.

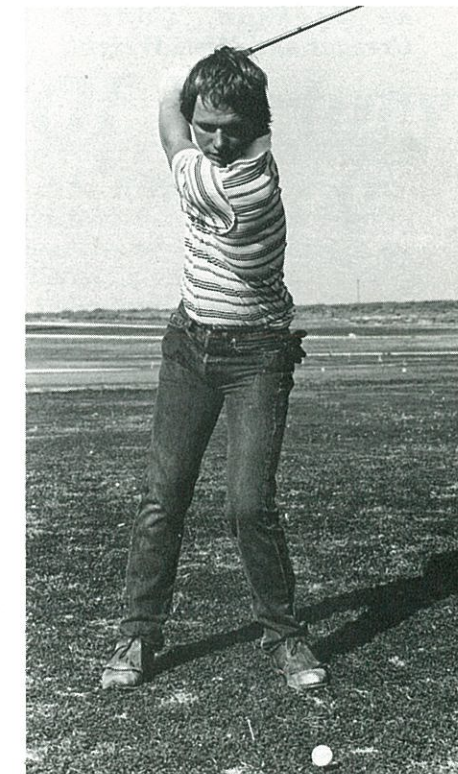

Overall, the Jackets once again represented KHS as only Yellow Jackets can — always winners.
