

# Freshmen Elect Class Officers

Throughout this school year, members of the KHS Freshmen Class experienced many new things. One of the hardest things for the Freshmen was the adjustment of being lower classmen at KHS and no longer being upper classmen of Junior High. With a little help from the Seniors, the Freshmen found their place, standing around the trees to yell and doing air raids. Finally, the 1983 school year is coming to a close and the Fish will be glad to know that they can now be recognized as "upper classmen".

This years class officers are President Xavier Ramirez, secretary Michele Clark, and Rodney Bermea, vice-president.

Class sponsors for the 1982-83 Freshmen Class are: BACK ROW Phil Parks, Ronny Stooksberry, Michael McGuire and Ray Barriga. SEATED (left) Sally Kurtz and Jennifer Anderson.
