

# KHS Varsity Volleyball Squad

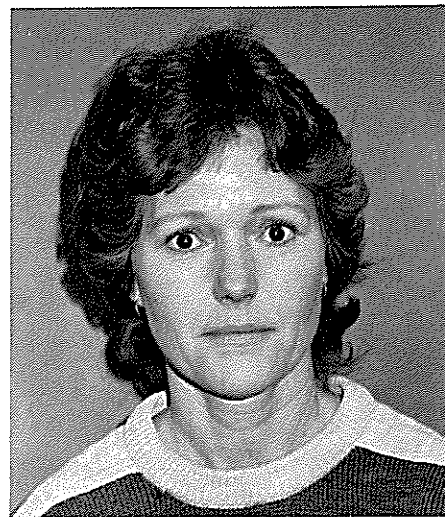

Coach Lee Lentz

The 1983 KHS varsity volleyball season was a tough one. The Yellow Jacket girls played against some very good opponents.

"The girls worked hard and developed many skills and techniques," said Coach Lee Lentz. Leticia Segovia was selected for a position on the All-District first team and LaVonda Wade was named to the All-District Second team.

Though victories on the scoreboard were few, the Yellow Jacket girls gained strength, ability, and determination with each game. Sportsmanship and teamwork were strengthened as was each girl's appreciation for herself and others. "The season may have been unsuccessful, but the players were winners," said Coach Lentz.
