

## 8th Volleyball Team Collects Skills

Playing on the KJHS Dauber eighth grade volleyball team for 1984-85 were **FRONT ROW** Michelle Gonzales, Lisa Helms, Renee Faye, Gaby Trevizo, Patricia Alarcon, and Manager Sheryl Baldarama. On the **BACK ROW** are Maria Estrada, Nicole Royal, Marla Dudley, Corina Villegas, Jamarsha Ballard, Rebecca Sigala and Coach Linda Knight.

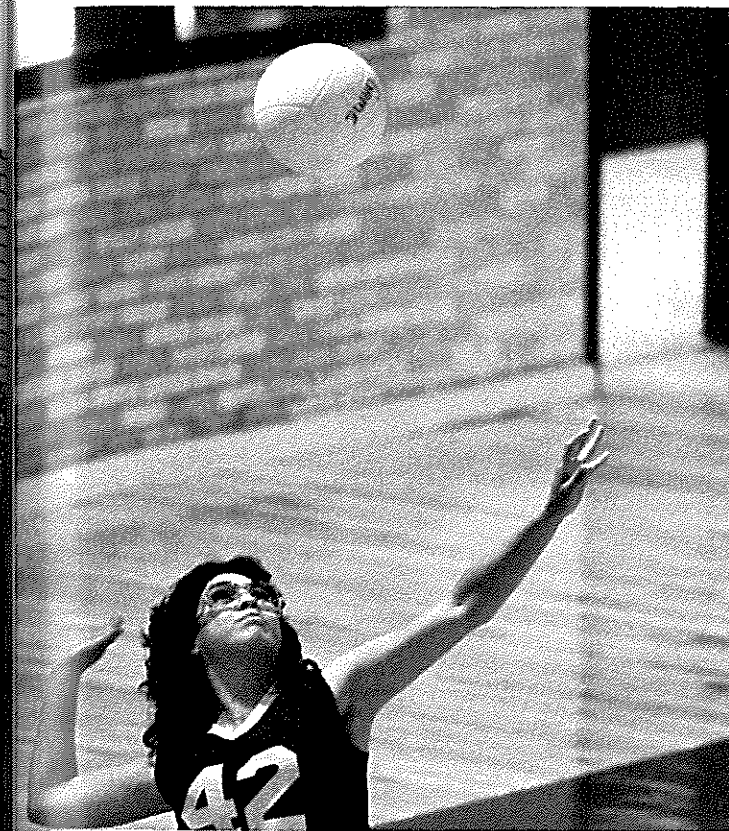

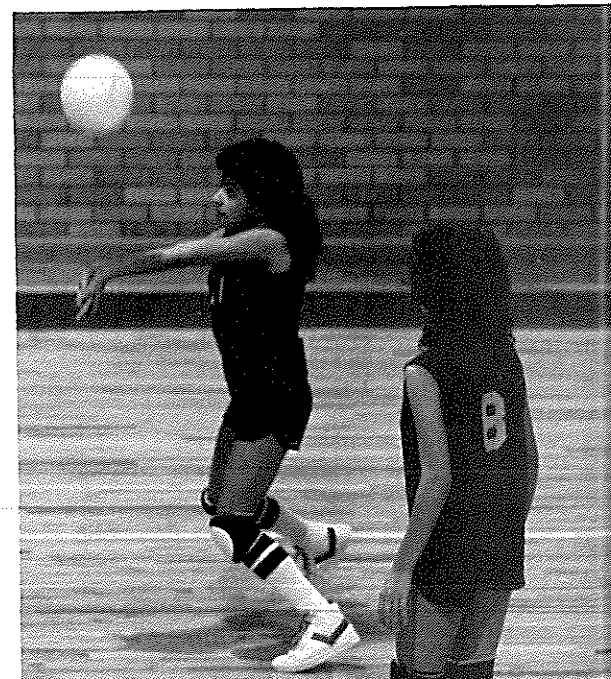

Perfecting volleyball skills obtained in the seventh grade, the members of the Dauber eighth grade volleyball squad worked day after day to not only perfect them, but use those skills against opponents throughout the season.

"The girls worked hard and did very well this season," said Coach Linda Knight in discussing the eighth graders.

"When they graduate and go on to high school, they will be ready to continue challenging opponents and collect victories for Kermit," the coach added.

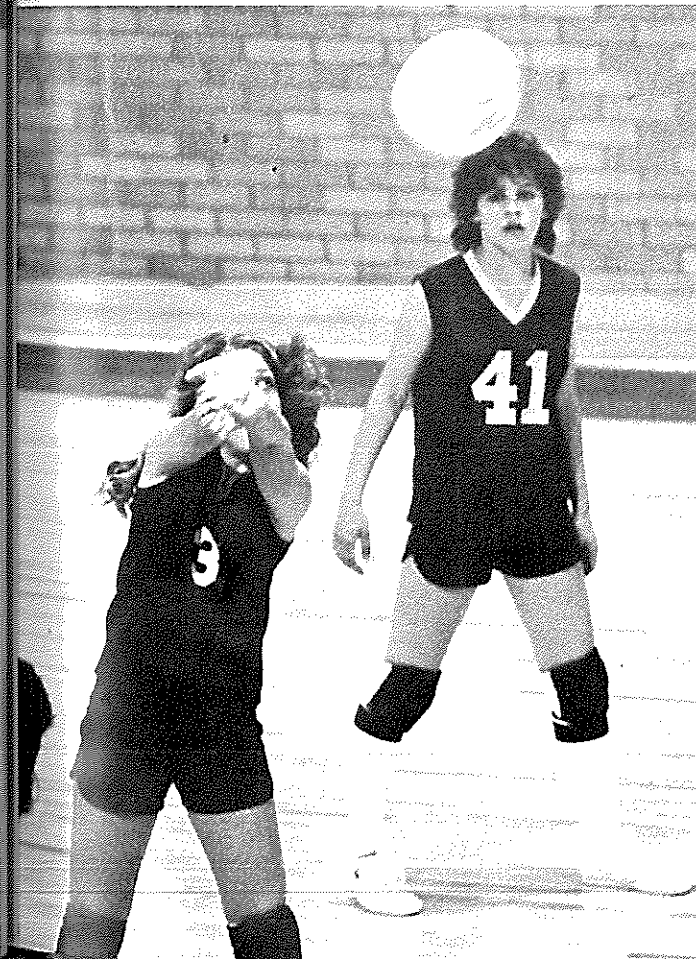

While the Dauber girls didn't win every game in 1984, they were always ready to battle their opponents down to the final point of the match.

Receiving a serve from the opposing volleyball squad is eighth grader Gaby Trevizo and ready to assist is Corina Villegas.

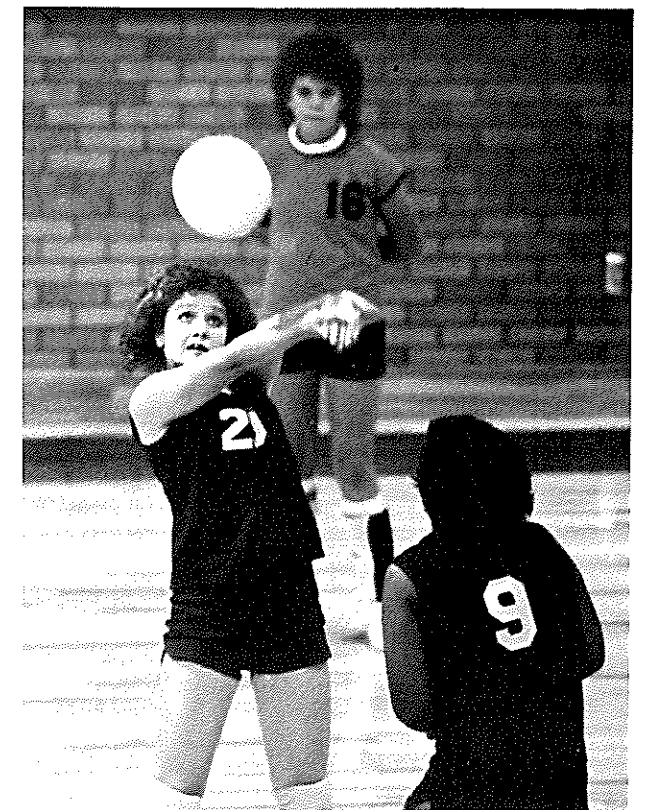

Kermit eighth grade Dauber Patricia Alarcon serves for one more KJHS point and helps assure one more Kermit win.

Dauber Lisa Helms relays the ball back over the net and keeps another KJHS serve alive.
