

7th Volleyball Girls Work & Learn

The seventh grade Kermit Junior High Dauber volleyball team consisted of FRONT ROW Glenda Thompson, Shawna Bowerman, Corrina Martinez, Geniva Velasquez, Lisa Padron and Michelle Suarez. BACK ROW Debbie Martinez, Melissa Simonds, Jena Jones, Regina Versoza, Connie Basgall, Lee Beth Knight and Coach Linda Knight.

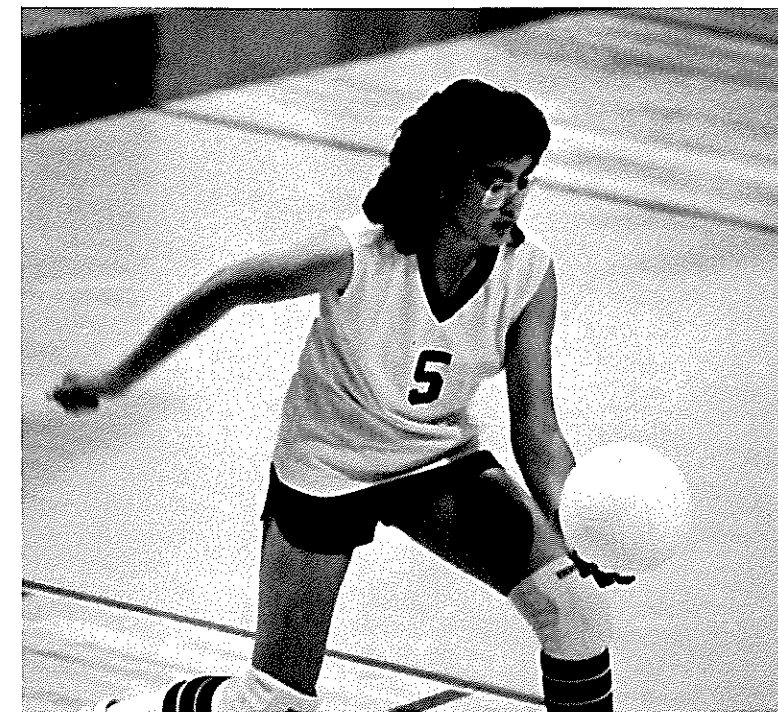

Shawna Bowerman prepares to serve to the opposing squad in hopes of scoring another Kermit point.

Playing on a Dauber volleyball team for the very first time, the 1984-85 Dauber seventh grade squad struggled through some rough matches, but continued to work diligently to learn the necessary volleyball skills.

While not winning all of their matches throughout the season, the seventh graders maintained their composure and continued to represent KJHS in "true Dauber fashion."

KJHS's Michelle Suarez returns the volleyball over the net to not only keep the Kermit serve alive, but help assure another point.

Regina Berzoza shows the home and opposing team spectators her serving form as she serves for a Dauber ace!

Seventh grade volleyball coach Linda Knight tells the starting six girls just how to play the opposing team and now, "Let's go get them!"
