

Golfers Learn The Links

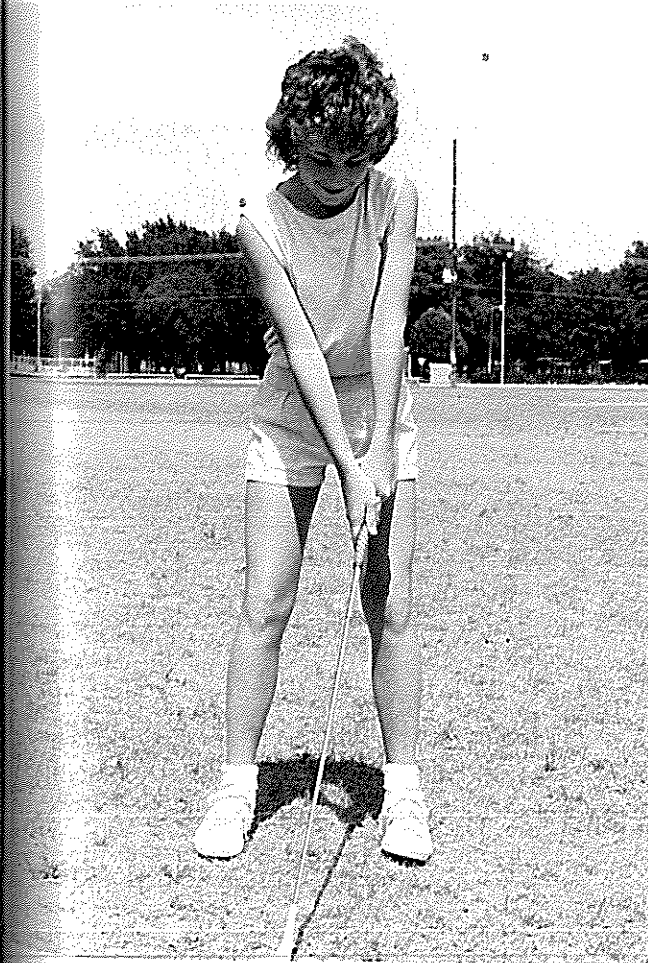

Although the 1985 Dauber Girls' Golf team was not as large as in years past, they made up for numbers with enthusiasm. Playing on the team were Lee Beth Knight, Katie Gower and Robin Crouse.

Members of the Dauber Boys' Golf team included Rob Bannister, Bill Riggs, Phil Todd, Corby Harbin, Steve Cook, Mark Mercer and Darin Field.

Dauber golf instructor Gordon Oglesby works with Lee Beth Knight as she attempts to get a better grip.

KJHS golfer Robin Grouse concentrates on her tee shot.

Katie Gower finds that practice . . . practice and more practice does help her golf game.
