And the Kermit Yellow Jackets for 1984 are DISTRICT CHAMPS as they collected a perfect 9-0 season and the District 4-AAA Championship. Above, the Jackets indicate their spot.

The 1984 Yellow Jacket gridiron season opened and closed against the same foe: the Post Antelopes.

Kermit invaded the home of the Post squad in the first game of the season and collected a victory most people did not believe possible.

For Bi-District the Jackets and Antelopes were matched-up again. This time they met in Seminole, but the outcome was different.

The Jackets got off to a good start as they jumped out in front 7-0 and maintained that margin for most of the first half of play.

The second half of the game belonged to the Antelopes as they connected for 27 points and knocked the KHS squad out of the play-offs.

Kermit's touchdown came in the opening quarter as Kevin Hicks and Robert Aguilar carried the ball down to the Post 43. Then QB Mike Muniz ran the option and scored. Mike Lara added the PAT.

The Yellow Jackets junior varsity football squad continued the tradition of years past and put together another winning season . . . more often than not against much larger schools.

The JV squad began the season by winning the first four games in a row and scored a total of 113 points, while giving up only 23.

After defeating Post 12-8, Slaton 33-7, Carlsbad 41-0 and Seagraves 27-8, the Jackets fell to Pecos 7-21.

The Jackets rebounded from the loss to Pecos and defeated Ft. Stockton 14-0 and the Lovington Wildcats 28-8, before challenging the Carlsbad Cavemen again.

The Carlsbad crew was unable to contain the Yellow Jackets and Kermit rolled-up another impressive victory by scoring 42 points and allowing the Cavemen to tally only one touchdown.
