Coach Dean Bates

The '85 girls squad played in four tournaments prior to the District 4-AAA tourney in El Paso.

While the weather wasn't as bad this season as it has been in other years — the Jacket girls braved the rain in two of their four tournaments.

In Ft. Stockton, the KHS linksters won first place in spite of the rain. Rain was also on the books at Midland, and Kermit placed fourth.

The weather was fair as Kermit came in fifth at Pecos and sixth at Brady.
