The Kermit 'K' Band worked diligently throughout the 1985-86 school year. During football season, the bandmen marched daily to perfect exacting routines ... which they then performed for spectators at football games and in marching contests.

The band made a first division in district marching contest, but did not qualify for the state contest.

The theme for 1986 was "All the Right Stuff."

Each year McDonald's All American Band selects two high school bandmen from each state. For 1986 Kermit's Tony Ferrante was selected to represent Texas.

In the spring the band was honored with a banquet by the 'K' Band Boosters.

As concert season rolled around the 'K' Band continued to work and received a division II rating.

Officers for the 1986 'K' Band were President Tony Ferrante, Vice president Sarah Roberts, Head Librarian Lisa Sims and Chaplain Jerry Dunlap.

Leading the marching 'K' Band on the field were Drum majors Shaun Fant and Julie Hill. The duo not only directed on the field, but also provided leadership throughout the year.

Adding still another dimension to the marching band for Kermit High were twirlers Joli Stephenson and Leslie Loughmiller.

Providing still more color and excitement to the mighty marching band of Kermit High were these members of the flag corps. Members included Captain Carrie Kapka, Shona Allen, Stephanie Mitchell, Chris Johnson, Sandi Fullen, Jessica Aranda, Lisa Helms and Captain Tina Hudson. Not shown: Lori Walker.
