

Industrial Arts

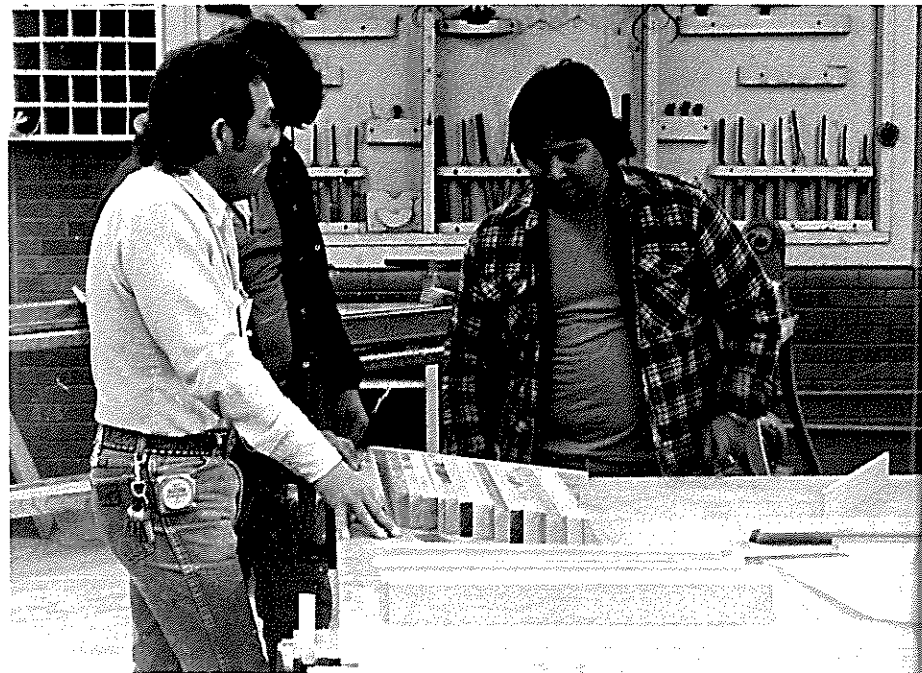

Ronny Stooksberry cuts some pipe demonstrating the use of a cutting torch in his Industrial Arts class.

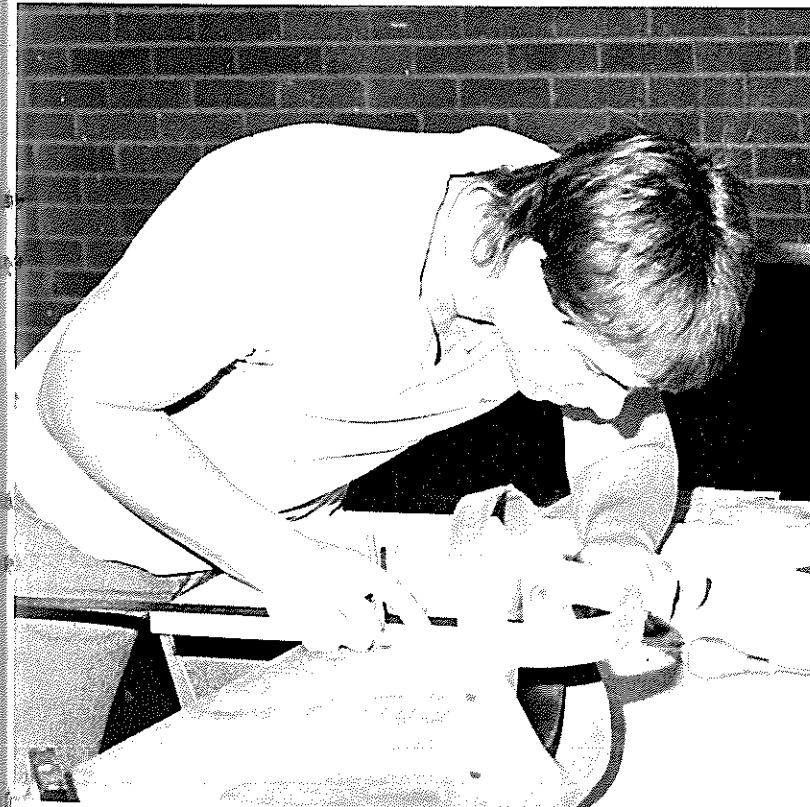

Shown here are Michael Langston, Donny Tankersly, Kent Ford, and Bubba Jones getting some kind of leather working advice from Ray Barriga.

Is Gaby Trevizo practicing to be a carpenter or does she just like woodworking?

Ray Barriga teaches Felipe Torres and Jose Gutierrez how to make a cutting board out of a strip of lumber.

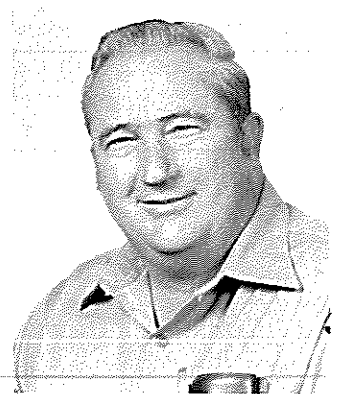

Mike Prince is shown drawing a lay-out for his woodwork project.

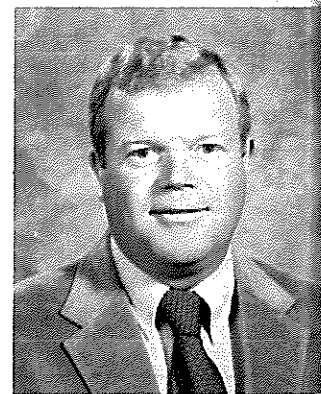

Victor Muniz is shown cutting a board for a table.
