Sophomores Provide KHS Leadership

Members of the Sophomore Class of 1986 entered the halls of KHS once again to begin a new school year, but this time, they entered as upperclassmen.

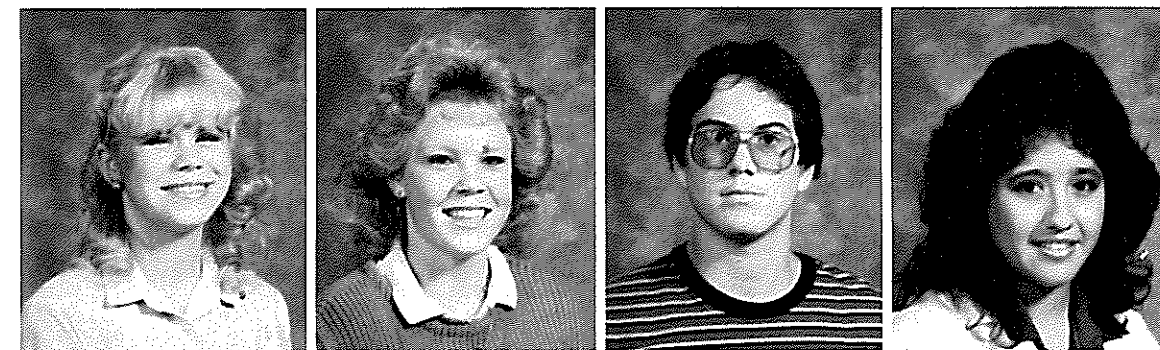

Sophomores participated in many events during the school year. They were a major part of the High School Bowl, which really encouraged them to learn more in the future. They also represented KHS in athletics, literary events, and a variety of school plays.

Now, as they find themselves becoming Juniors, they will also find more ways for displaying their abilities and setting examples for lower classmen.

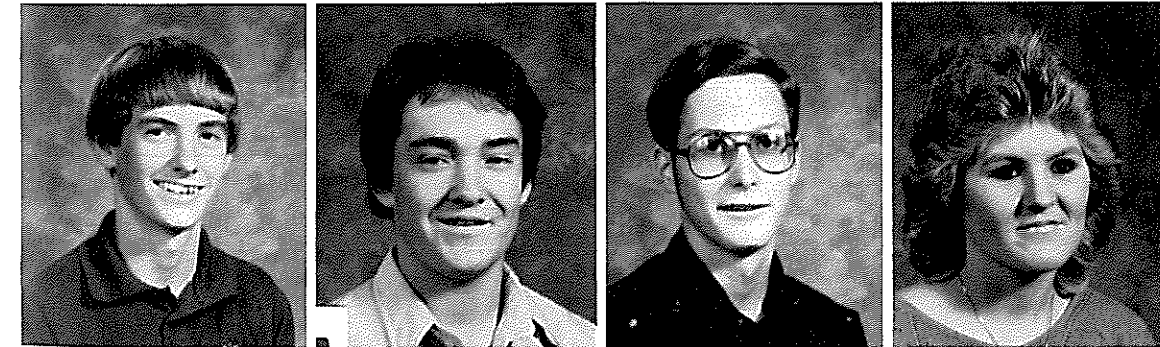

Serving as Sophomore class officers were President Robert Martinez, Vice-president Corey Bates, Parliamentarian Brett Postel, and Secretary Darla Jones.
