

Lady Jackets Have Successful Year

The coach for the varsity squad is coach Lee Lentz.

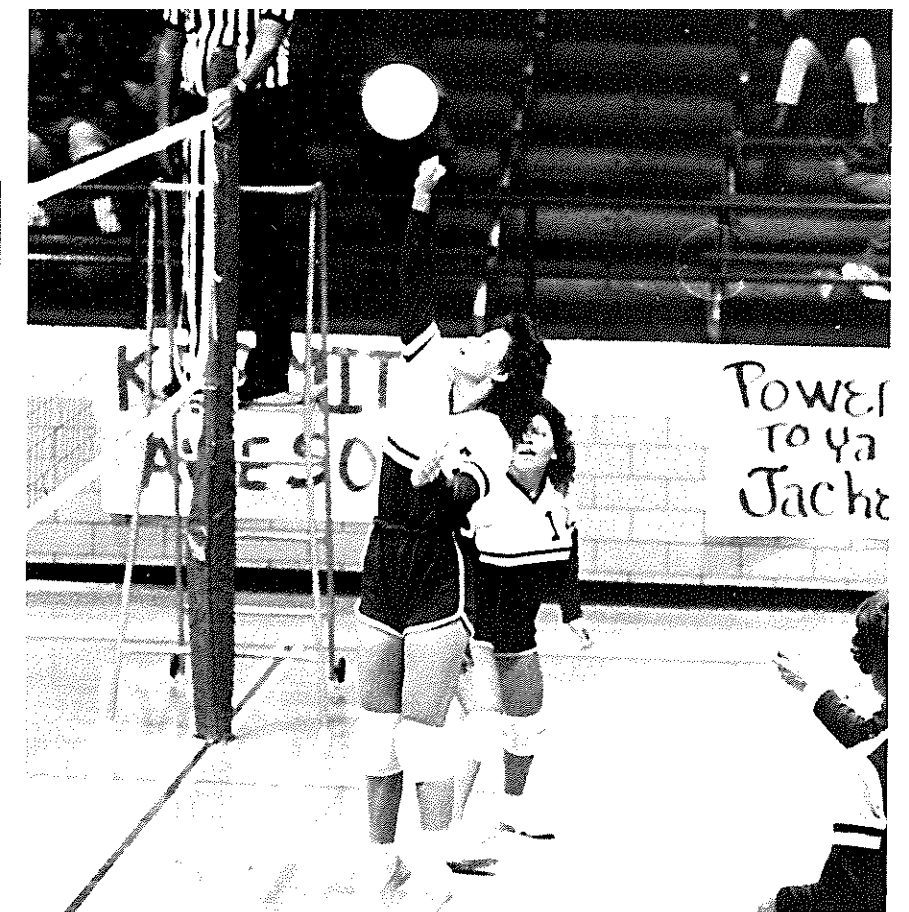

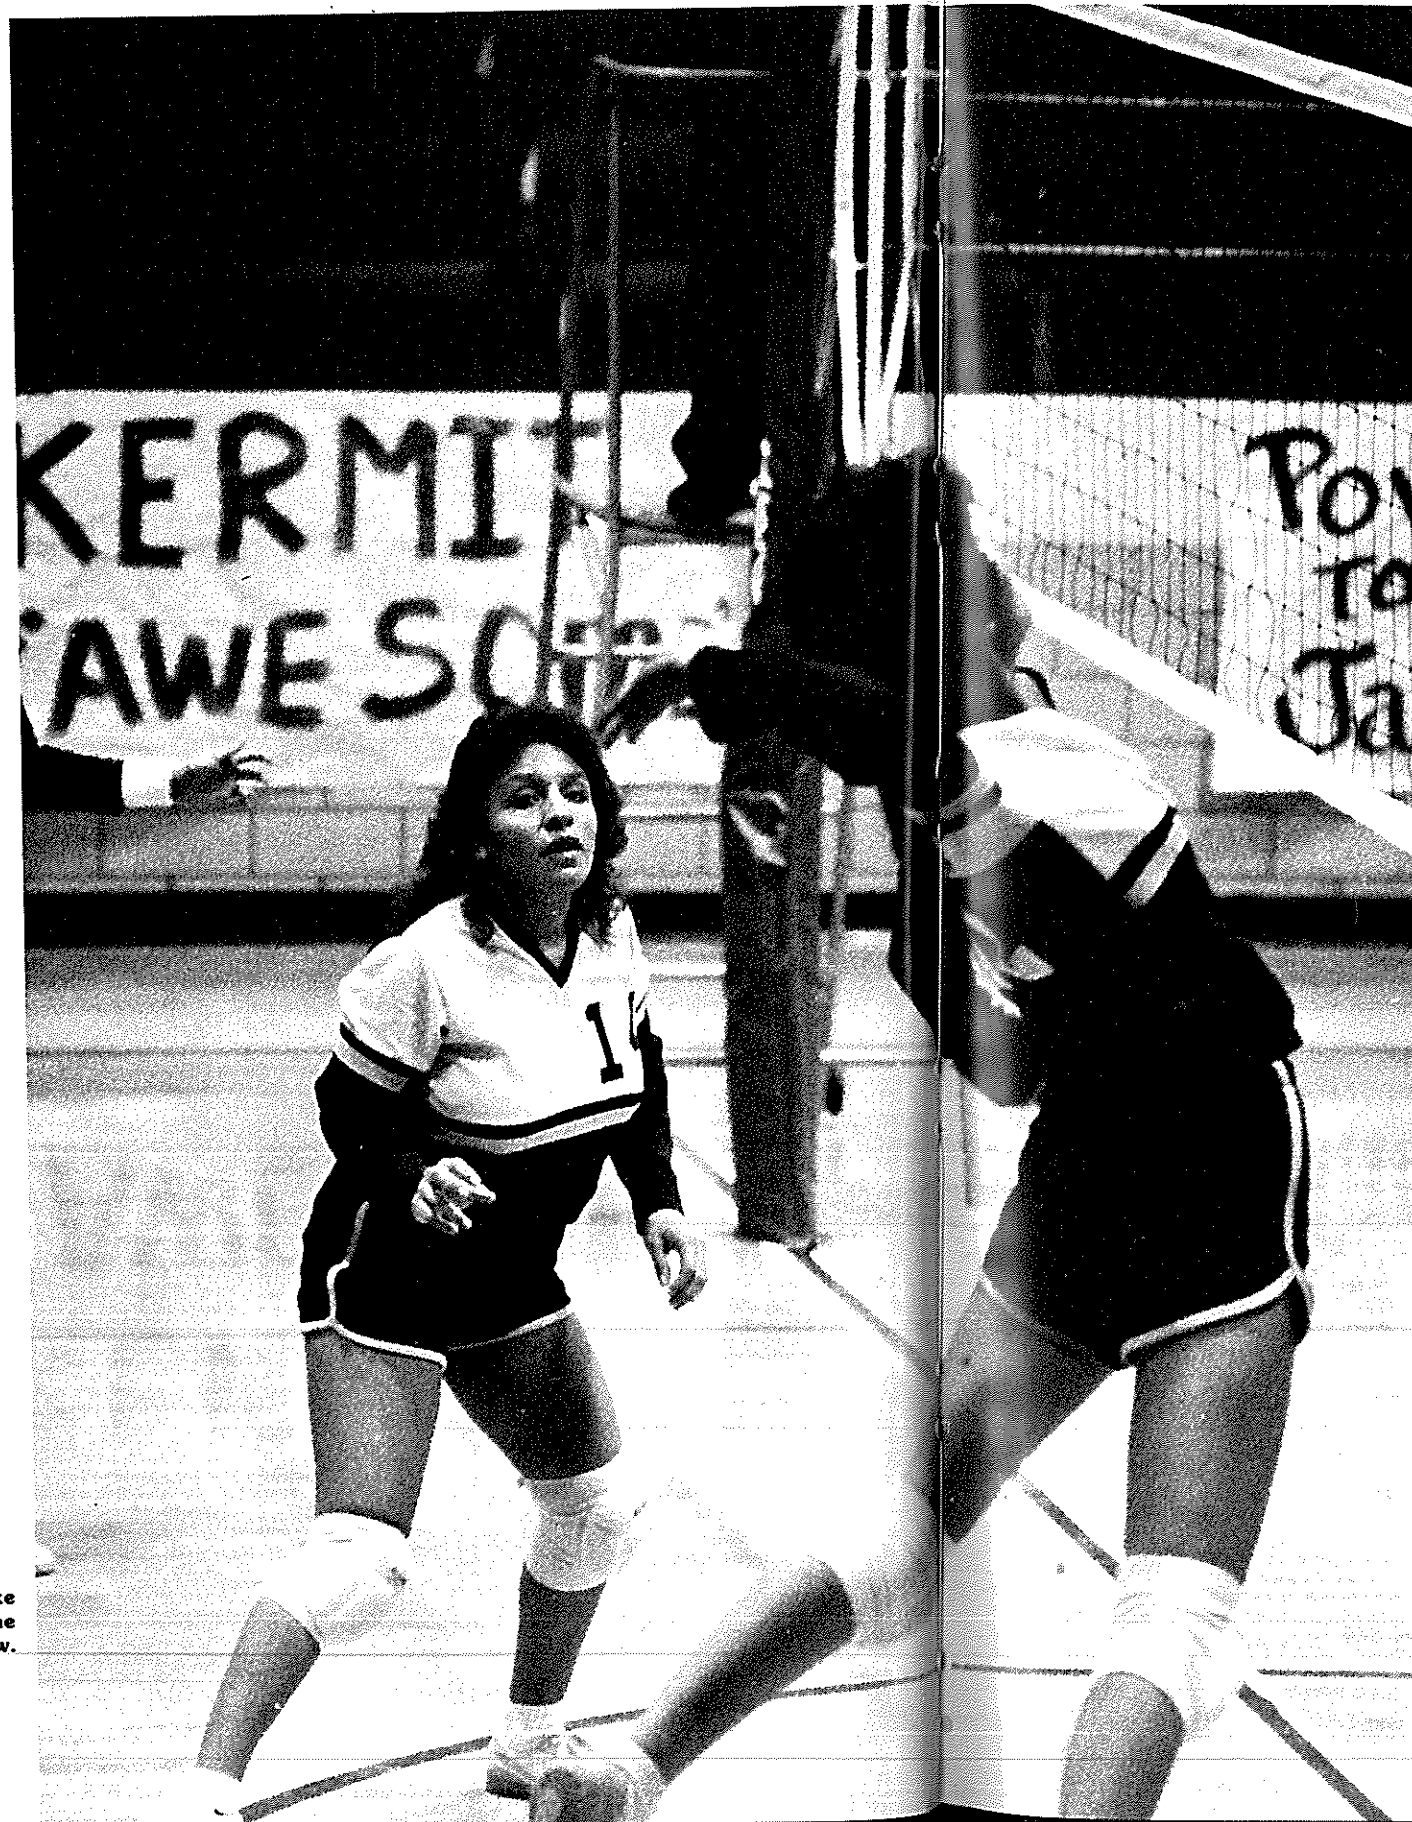

"The 1985 varsity volleyball season was successful," said Coach Lee Lentz. "There were major obstacles to overcome — and overcome them we did."

The '85 Jacket squad was young ... only one starting senior and one reserve senior. Other team members included four juniors and four sophomores.

In district play the KHS crew was victorious over Canutillo and scored more points against Fabens and Alpine than in the last four years.

Named to the All-District team from KHS were Sandra Rivera and Rosemary Cordova.

Spiker Norma Montoya goes up to spike the ball in Kermit's final volleyball game of 1985 against the visiting Alpine crew. Watching is setter Rosemary Cordova.

Anna Ramos "dinks" the ball over the opposing squad members, as they prepare to block a spike.

Kim Hill and Sandra Rivera battle for another KHS point.
