

Jacket Golfers Swing, Drive, Putt

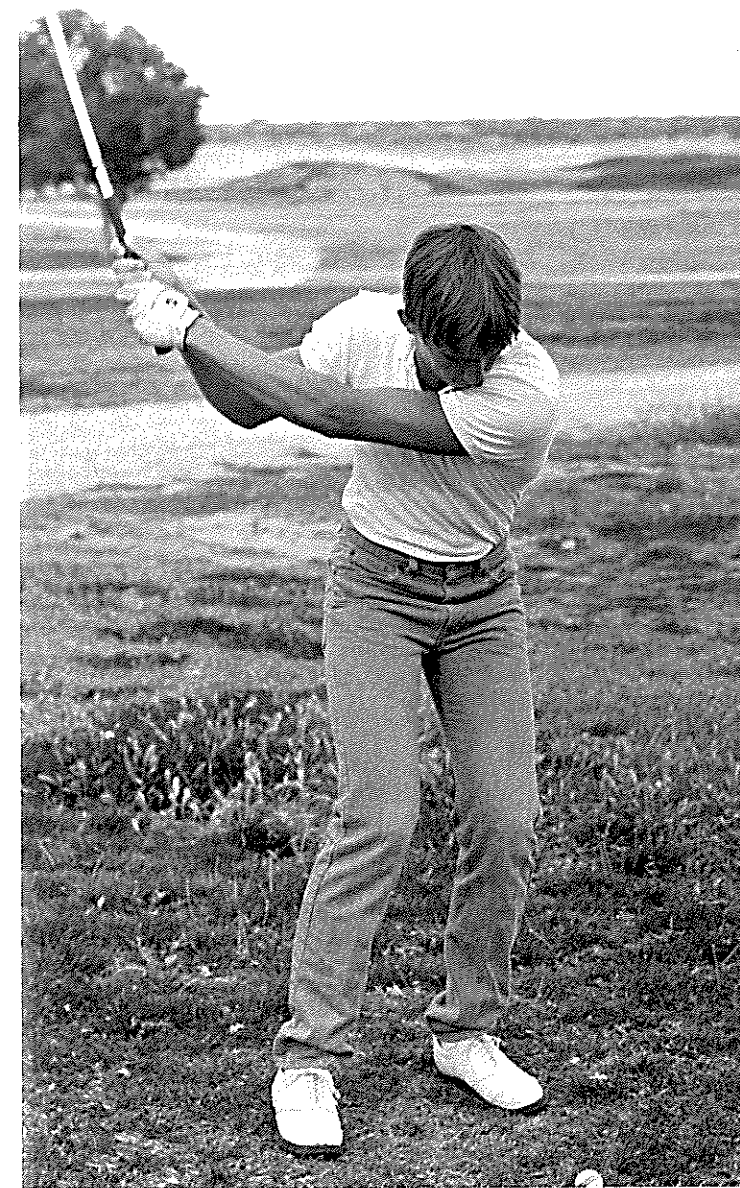

Participating on the Varsity Golf Team are Phil Todd, Tony Dickie, Dan Michel, Corey Bates and Ron Gray.

Coach David Carr assumed leadership of the 1986 varsity golf program after Coach Dean Bates resigned to accept another post.

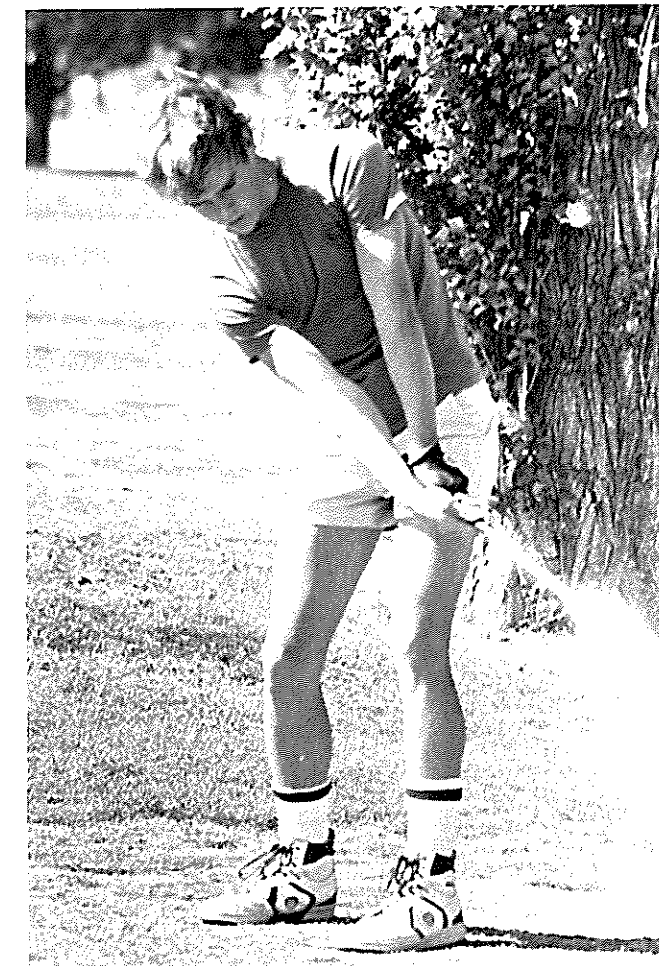

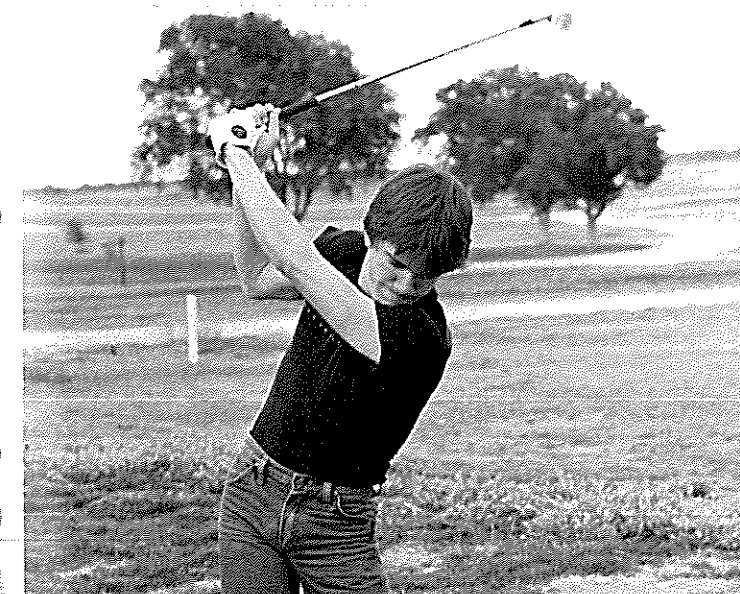

"The boys' varsity golf team started slowly," said Coach Carr. "With hard work the team continued to improve with every tournament and ended the season in second place in district play and finished sixth in the region."

"There is a great deal of talent on the team and experience will add a lot to the team in the future."
