Rob Bannister

Serving as officers of the Sophomore Class were President Eddie Martinez, Vice-president Adam Carrasco, Treasurer Corina Villegas, Parliamentarian Marc Parks and Secretary Darah Smith.

Members of the Sophomore Class began contributing to all phases of KHS life during 1986-87. Not only did the sophomores excel in the classroom, they also made places for themselves on just about all of the varsity sports and literary teams.

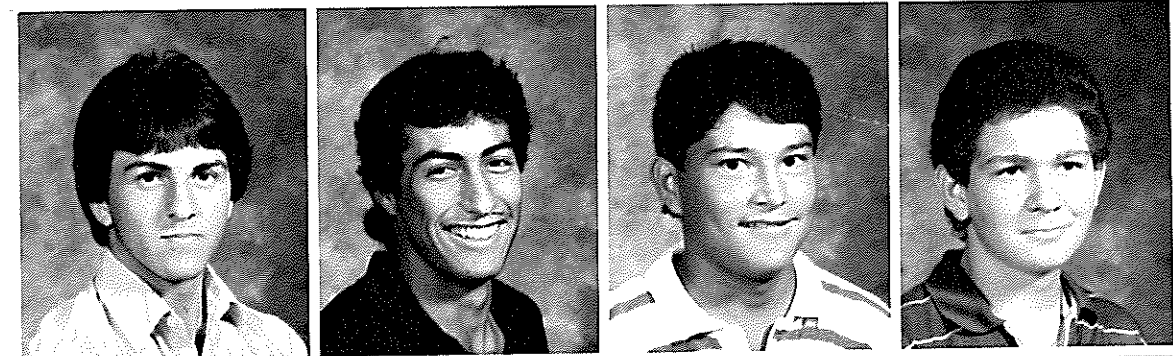

The realm of upperclassmen opened and made room for the sophomores and they, in turn, did their part to contribute to all parts of Kermit High student life.

In order to be sure the class treasury was large enough to finance the long-awaited Junior Prom, the sophomores participated in a fund-raising drive and sold multitudes of cups and glasses.
