The JV cheerleaders did their best to keep up the Jacket spirits throughout the football and basketball seasons. They attended all of the JV games and the freshman games. They also supported the teams by making spirit signs. The JV girls participated in the pep rallies each Friday and also helped with Homecoming decorations.

Many of the girls who did not participate in the "K" band were members of the pep squad, which also attended all of the varsity games and helped keep that KHS spirit alive.

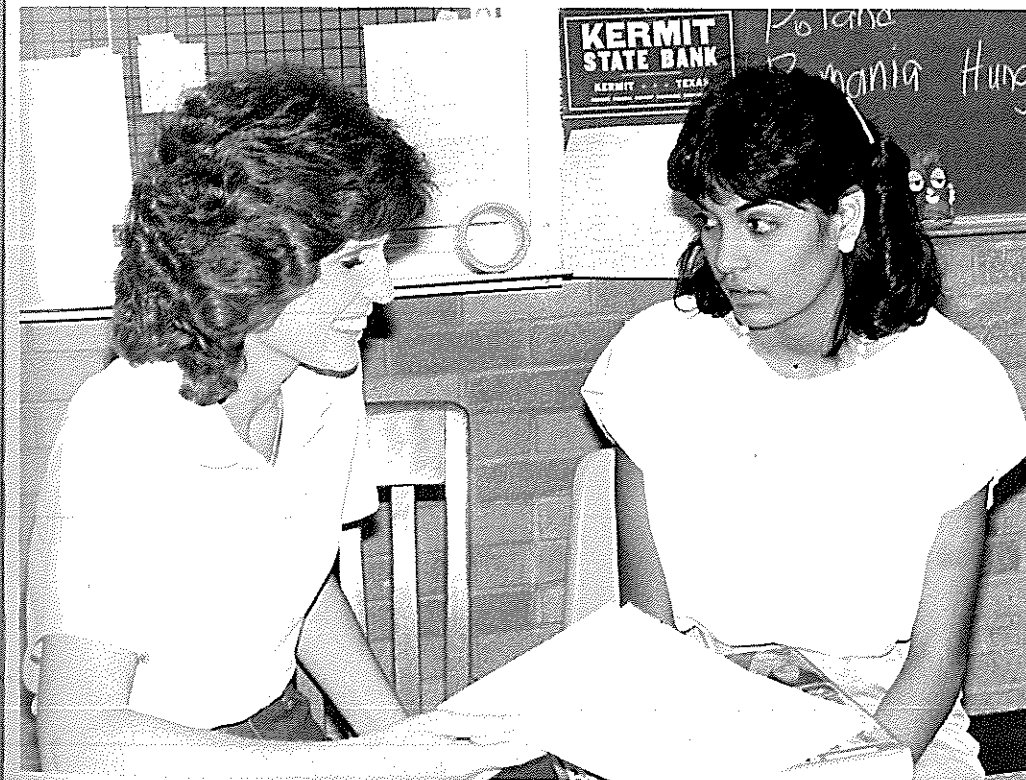

Helping to boost school spirit is Killer "K" Corina Villegas.
