Discussing future plans are Shawn Wade, Donnie Tankersley, Cherry Whigham, Becky Boman and Dawn Hair.

The Texas Association of Future Educators is an organization to encourage and inform those students who are considering a career in the field of education. The programs, projects and activities are designed to foster interest and knowledge in various career opportunities in the field

of education. The Kermit chapter also seeks ways to serve the faculty and administration and strives to have at least one "teacher appreciation" project each year. The main fund-raising project for the Kermit Club is the sale of senior shirts.
