

1988 Jr.-Sr. Prom

Working behind the scenes, but still having fun at the prom were sponsors Vicki Pigmon, Bobbie Truelove and Lois Ann McKenzie

Richard Mann and Katie Gower sure seemed to enjoy dancing.

Dan Boyd and Linda Bedell, and Tanya Carrasco and Victor Vigil seemed to like fast dances too.

Many of the couples at the prom BELOW appeared to enjoy taking a break from all of the fast dancing.

As the night came to a close, slow dances were much more prevalent.

One of the "fun" dances at the prom was the Schottische. Marc Parks and Cheryl Owen were making the rounds. What happened to Dickie Carrasco's date?
