

Juniors Play Key Roles In KHS

The 1987-88 school year was one of challenges for the Class of 1989.

The Juniors of 1988 found themselves in the middle of just about every activity on campus. They were integral parts of every sports team, the UIL Literary squad and then were given the responsibility of helping put together a successful prom.

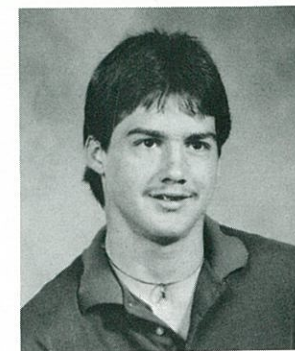

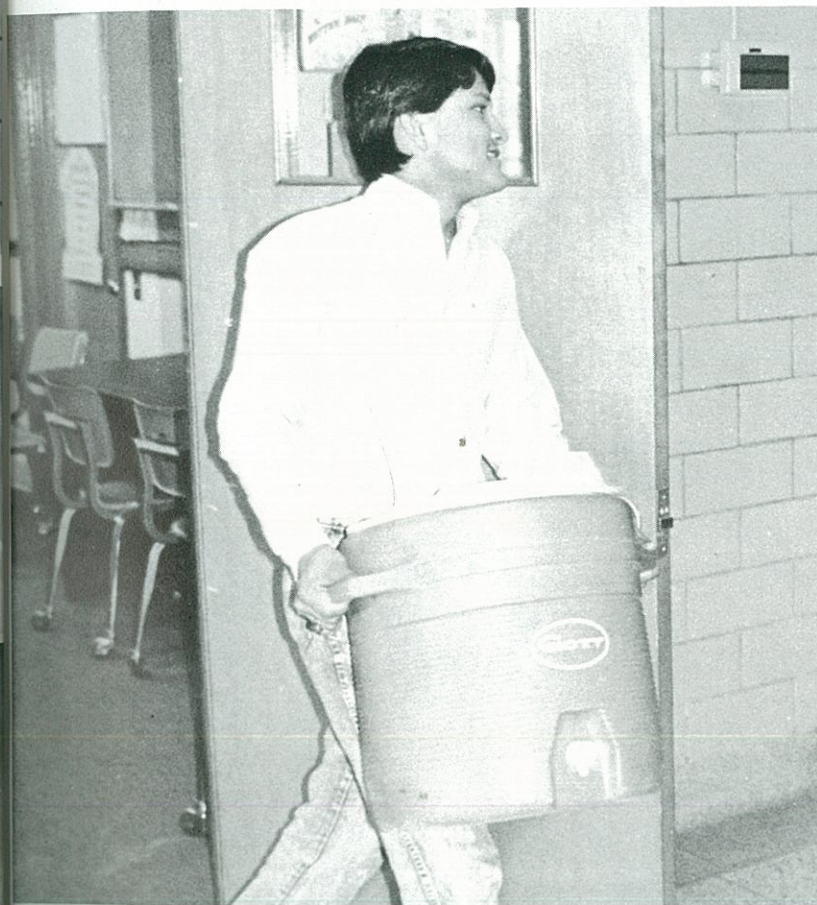

Jewelry sales helped raise funds and then hard work helped provide an outstanding prom.

Serving as officers of the Junior Class were President Corina Villegas, Vice President Gaby Trevizo, Parliamentarian Richard Ramos, Secretary Dan Boyd.
