

# Seniors

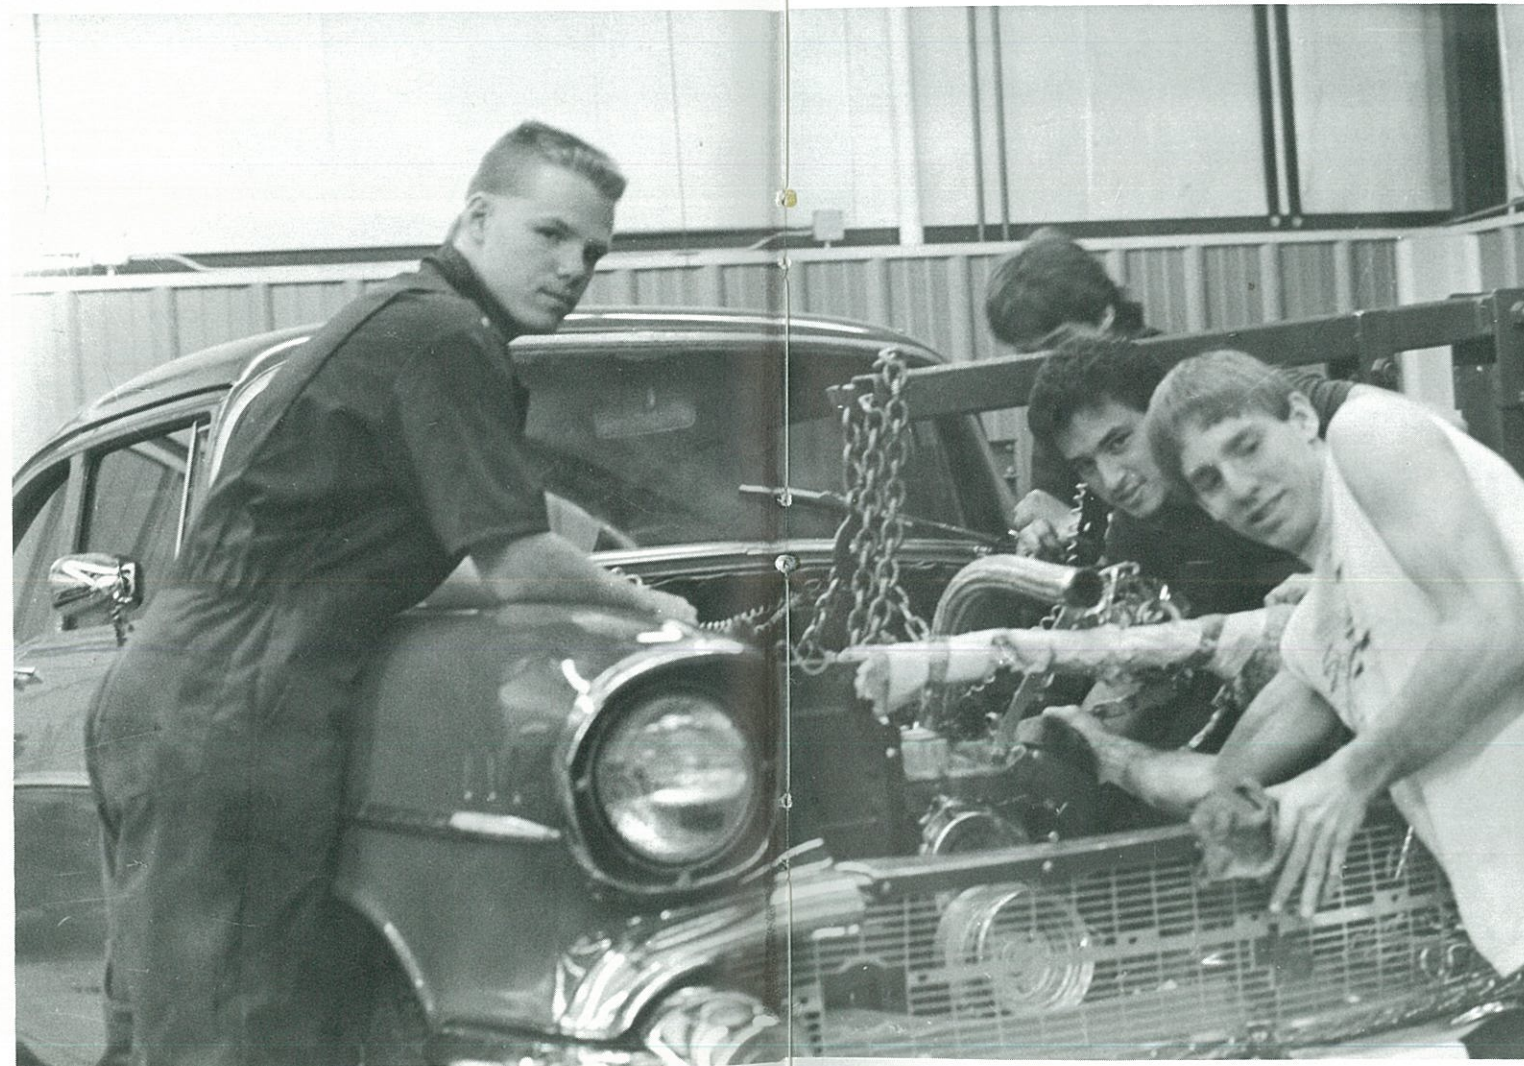

It's dish washing time in the home and family living class again. Noonie Hernandez, Jim Crouse, Ron Gray, Eric Spangler, and Eric Eastin seem to be really scrubbing those dishes.

Is Shannon Brown skipping out of class or is she just catching up on her reading?

## Seniors Work . . . But Still Smile

Working to get Eric's car in tip-top condition for the week-end are Eric Spangler, Jim Crouse, and Manuel Fierro.

Busy picking up attendance slips is office girl Kathaleen Jones.

Dickie Carrasco and Corey Cates are always ready to share a "sweet and innocent" smile.
