The 1988-89 Show choir had a very successful year. With hard work and devotion that paid off winning many awards and were credited for their outstanding efforts throughout the school year. They got a I in U.I.L. concert and a II in sight reading. Also, in San Antonio, a Second division in Show choir performance, outstanding choir in one, two and 3A divisions, and a first division for U.I.L. performance. "It was really neat and exciting this year, especially for a Senior year. We (Rhapsodee) were really close like a family," said Senior Traci Hendricks. So, give credit where credit is due. These young people gave it their all and achieved success.
