

### Sophomores

Sophomores usually go unnoticed since their freshmen days are gone and their junior year is yet to come. But, this year's sophomores definitely were noticed.

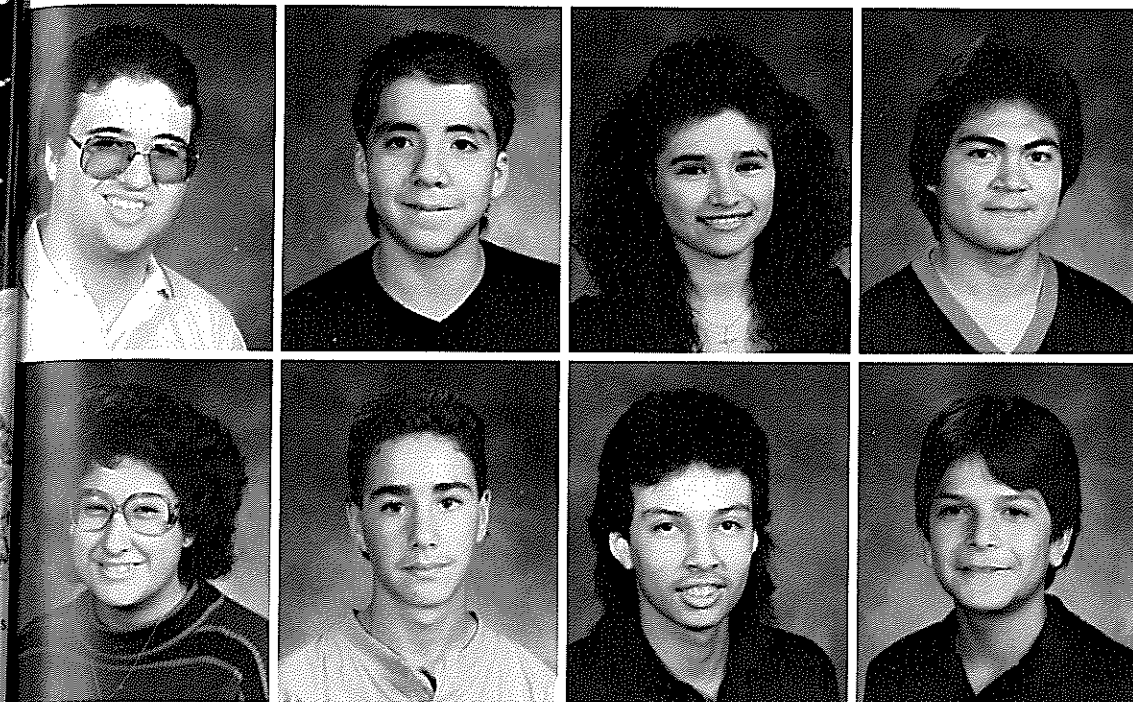

Some of their achievements were winning the sign contest, winning the lip sync contest, and improved academics. They also earned money for their class.

Class spirit was demonstrated by the sophomores time and time again. They plan to continue with the same spirit throughout their Junior and Senior years.

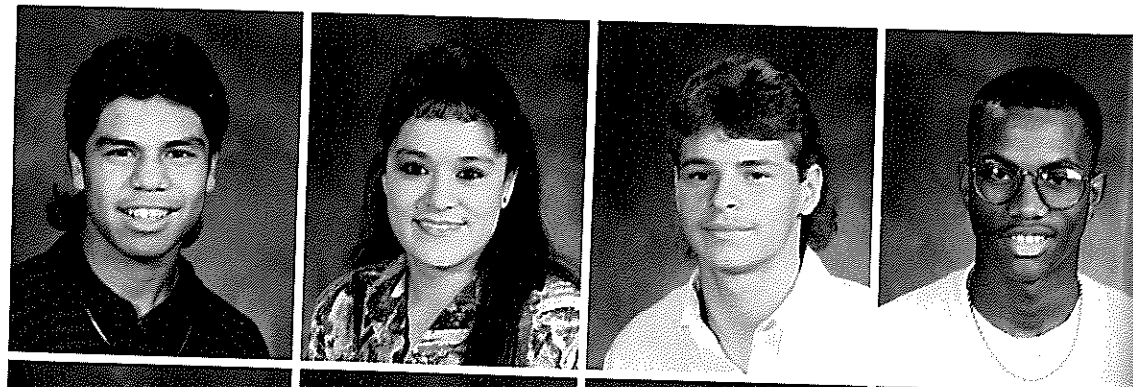

Sophomore class sponsors are Head sponsor Diana Hampton, Connie Phillips, and Phil Parks
