There are three choirs at Kermit Junior High: the Seventh and Eighth grade Girl's Choir, the Seventh and Eighth grade Boy's Choir, and the Sixth grade Choir.

The Sixth grade Choir worked hard on basic music theory and skills and performed three times. This included the Christmas and Spring concerts.

The Dauber Choirs performed several times this year and competed in the annual U.I.L. concert and sight reading. The students also sang and participated in the Solo and Ensemble contest held in February.

This year was the first year for both the Boy's and Girl's Choir to receive division ones at U.I.L. Both choirs received division ones in sight-reading as well. The two choirs were presented the highest honor one can receive in contest: Sweepstakes (given for receiving both a division one in concert and in sight-reading). This is a first for Kermit in quite some time. "I was very proud of them. They worked very hard, and they deserved it." Mrs. Helmer had many good things to say about the choirs.
